FRANCE ACCEPTS NAVAL RATIO PROPOSED IN HUGHES PROGRAM

Official Announcement in London
Means Agreement to Limit Naval
Armament is Not Jeopardized

ANNOUNCEMENT IS EXPECTED

Only Obstacle in Way of Complete
Agreement For Limitation is Said
to be Submarines

BRIAND RESERVES RIGHTS

Says France Will Consider Later
What Her Submersible Tonnage
Should be—French Ratio 1.7.

London, Dec. 19.—France has
accepted the naval ratio pro-
posed by Secretary Hughes.
Premier Briand told Ambassa-
dor Harvey, it was officially an-
nounced today.

Washington, Dec. 19.—An agree-
ment has been reached by the five
naval powers of the world to limit
the battleship armament. Premier
Briand has sent orders to the
France delegation at the armament
conference to back down from the
demand for navy greater than Ja-
pan and accept the decision of the
other powers that France's ratio in
the 5-5-3 plan be approximately 1.7
it was learned from a high Ameri-
can authority.

Secretary Hughes, it was stated,
may make an announcement later
in the day. The only obstacle in
the path of the final and complete agree-
ment on all features of the limita-
tion program now is believed to be
the question of submarines.

Briand in reply to Secretary
Hughes is understood to have stated
that France reserves the right to
consider later what her submarine
tonnage should be.

France's answer to the demand of
the United States, Great Britain, Ja-
pan and Italy that she abandon her
claim to a navy of ten new super
dreadnaughts totalling 350,000 tons
and agree to a sea force of half
that amount, was being received in
sections by the French delegation
here today.

From a reliable source, it was
learned that the answer indicated
France will back down.

Because the French answer has
not yet been completely received and
decided the meeting of the naval
sub committee scheduled for today
was postponed until tomorrow.

JUDGES OF STATE INVITED TO CONFER

Judge Sparks Receives Invitation to
Conference Called by Governor
For January 12

TO PROMOTE UNIFORMITY

A conference on Criminology and
Law Enforcement has been called
by Governor McCray, to be held in
Indianapolis on Thursday, January
12, according to a letter received by
Judge Will M. Sparks, who has been
asked to attend the meeting. Judge
Hugo Pam of Chicago will be among
the speakers, who will address the
judges on "Criminal Law."

Charles W. Hoffman, judge of the
Hamilton county, Ohio, court of
Common Pleas, will also talk on
"Juvenile Law." All circuit court,
city, appellate and other judges have
been asked to attend the meeting.

In the letter to Judge Sparks,
Governor McCray stated that, "The
main idea of the meeting is to pro-
mote more uniformity in the admin-
istration of criminal law and have
a closer co-operation between courts
and the penal and reformatory in-
stitutions of the state."

Judge Sparks will attend the
meeting and has not scheduled any
cases on the court docket for that
day.

AT PEACE WITH THE WORLD RENEWED WARFARE THREATENED IN DEBATE

Washington, Dec. 19.—The
United States is now at peace
with all the world.
The third and last peace
treaty was concluded today
between the United States and
Hungary, according to word
from Hugh Grantsmith, Ameri-
can charge at Budapest. Rat-
ifications have been exchanged
he cabled. Similar treaties
have already been made with
Germany and Austria.

RENEWED WARFARE THREATENED IN DEBATE

Pres. De Valera Says He Would
Prefer to Have Ireland Remain
Slaves Than Accept Treaty

GRIFFITH MOVES ACCEPTANCE

(By United Press)
Dublin, Ireland, Dec. 19.—Renewed
warfare on England was threatened
in the Dail Eirian during the debate
today on ratification of the peace
treaty.

"I hope to continue to fight if this
rotten document is accepted", cried
Austin Stack, member of the Irish
cabinet. "I would have Ireland re-
main slaves until the end of time
rather than consent to such a docu-
ment", said President DeValera.

Count Bunkett moved rejection to
the treaty. "It is unsatisfactory", he
said. "It means that we must be
false to our oath to the empire or
oath to Ireland. We must respect our
oath to the republic", he continued.

The Dail reconvened after lunch.
Collins took the floor and spoke in
behalf of the treaty. I recommend
the treaty for what it is—freedom.
It is not an ultimate freedom which
every nation aspires, but it is a free-
dom to achieve."

Griffith moved acceptance of the
treaty and DeValera moved rejec-
tion. Members of the Dail jumped to
their feet and cheered when Collins
said "these slippery loppers wanted
to see the British bluff them out.
They have bluffed for the past two
years but we did not weaken."

Factory Boosts Sale

The sale of Red Cross double-
barred Christmas Seals was boosted
today with the report of \$37.00
worth of Seals being taken by the
Rushville Furniture company and
employees. The total reported for the
day was \$55.37, which with the
amount previously reported, \$764.83,
makes the total sales in Rushville
to date, \$820.20. Sales reported to-
day are as follows:

FIRE IN STOCK YARDS

The fire department was called
Sunday morning about 11:30 o'clock
to the stock yards of the Pennsylv-
ania railroad, where a small fire
was threatening to do damage. The
blaze was extinguished with chemi-
cals. A small boy is said to have
started a bonfire in the pens, and
the straw soon caused the blaze to
spread with the strong wind. No
damage resulted.

OFFICE IN COURT HOUSE

Grace Ewing, County Red Cross
Nurse With Supt. Wagoner

Miss Grace Ewing, Red Cross
county nurse, has established her
office in the court house in the offices
of County School Superintendent W.
E. Wagoner, where she may be
reached in person or by telephone.
With her office in the department of
schools, it will mean a closer co-
operation between school children
and herself, as her business is car-
ried on largely with the school chil-
dren of the county.

The telephone number is 1387, the
same used by the county school su-
perintendent, and in case Miss Ewing
is not in the office, messages
may be left with Miss Mildred
Stewart, an assistant in the office.

GAHIMER LEADS IN 1-ROOM CLASS

Mays and Osborne Tied For Attend-
ance Honors in Two-Room
School Buildings of County

STATISTICS BY SUPT. WAGONER

Total of 575 Pupils Enrolled in 15
One and Two-Room School
Buildings, Report Shows

In the ten one-room school houses
in Rush county, the Gahimer school
had the best attendance record for
the first three months, with 99.3 per-
cent, and in the 5 two-room build-
ings, the Mays and Osborn schools
tied with 98.4 percent for the same
period.

In the one-room buildings, there
are 270 pupils attending school and
in the two-room buildings there are
305 pupils in the schools.

The single and double room build-
ings have rapidly decreased in the
past few years, making room for
township consolidated buildings, but
in several localities of the county the
single and double room buildings are
used on account of the distance from
remote places to the consolidated
schools.

The school at Shively's corner, a
one-room building, accommodates 14
pupils, which is the least in the
county. The Gahimer school has 37
pupils, while the Booker T. Washing-
ton school at Carthage is second
with 25 enrolled.

In the two room buildings the
Circleville school in Rushville town-
ship ranks highest in enrollment with
75, and the Walnut Ridge school,
west of Carthage, has an attendance
of 47.

The Osborn school had a perfect
record on tardies for the first three

NEW LOW MARK FOR WINTER SET SUNDAY

Temperature Drops to Eleven De-
grees Below Freezing But Warm-
er Weather Prevails Today

RAIN OR SNOW IS PREDICTED

Sunday morning established a
new record or this locality, accord-
ing to Elwood Kirkwood, weather ob-
server, who stated that the low
mark of the season was established
when the mercury reached 21 de-
grees above zero.

The previous low mark was 23
degrees a few nights ago. The mark
set Sunday was 11 degrees below
freezing and water was frozen thick
in many places. He also reported
that during the time from Saturday
until Sunday morning, there were
1.31 inches rainfall.

The highest temperature on Sat-
urday was 55 degrees and the drop to
21 degrees was quite noticeable
within a few hours time. The temper-
ature today and yesterday, was
warmer and the weather prediction
stated that cloudiness would prevail
tonight and Tuesday, with probably
rain or snow tomorrow, and not
much change in temperature, with the
lowest tonight from 28 to 34 degrees.

Kris Kingle Is Down-Hearted As The Week Before Christmas Opens

His Friends Are Not Coming to His
Aid as He Expected, Comparison
With Last Year Showing Christ-
mas Fund Way Behind.

TIME SHORT AND GOING HARD

Santa Claus was still down-heart-
ed today because the week end did
not produce many more contribu-
tions to the Daily Republican-Salva-
tion Army Christmas fund.

It's certain that the under-priv-
ileged children of Rushville will have
a very slim Christmas this year
unless there is a ninth inning rally
among the Good Fellows hereabouts.

One year ago today the sum of
\$418.69 had been contributed to the
Christmas fund. One year ago Sat-
urday the Salvation Army kettle
yielded up \$37.60 as compared with
\$15.21. This plainly indicates that
there must be some tall hustling
among the friends of Santa Claus to
make the fund anyway near equal
last year's.

The time is short and the going is
hard, so that it behooves the good
people of the city who want no child
to be unhappy on Christmas morn-
ing, to come forward with open

purses and help swell the total so
that there will be a bountiful Christ-
mas for every youngster in Rushville
in the year 1921.

There is no question about the
need when one examines the report
which have been made by the county
board of children's guardians. Afflic-
tions, lack of work and other causes
have prevented many bread winners
from earning their usual weekly
wage. They have difficulty in pro-
viding enough to eat, much less the
gifts that make little hearts happy
at this season.

This is not the children's fault.
They are all entitled to the same
consideration—will they get it?
That's the question which confronts
all well-wishers of the little ones of
Rushville who are without hope un-
less the kindly-inclined folks of
Rushville step into the breach at
once.

NO OBJECTIONS TO USE OF BUILDING

Residents of Eastern Side of Walk-
er Township Did Not Circulate
Petition, They Say

ALUMNI WANTED GYMNASIUM

People living in the vicinity of
Homer and on the eastern side of
Walker township, today stated that
they offered no objection to the Man-
illa Independent basketball team
playing in the high school gymna-
sium at Manilla, and that as far as
they knew there was never a peti-
tion circulated or even thought of
being circulated against the plan as
suggested by the alumni of the
school.

The court here sustained the rul-
ing of Lew Lewis trustee of the
township, in which he denied the
right of the alumni association to
play in the gymnasium, although 200
people had petitioned him for the
permit.

It was stated that an equal num-
ber, mostly people living in the
Homer neighborhood, were offering
objections, but this is denied. The
people in this vicinity, however, sta-
ted that the petition urging inde-
pendent basketball in the school,
was not very extensively circulated
in that section of the township, where
opposition to the plan was really
expected to arise.

ONE FULL WEEK'S VACATION

Rushville and Township Schools Will
Reopen Monday, January 2

The Rushville public schools will
close next Friday noon for the
Christmas holidays, it was an-
nounced today by Superintendent J.
H. Scholl, and will reopen on Mon-
day morning, January 2. This gives
the pupils a vacation of one full
week and a half day which is al-
lowed on Friday afternoon. School
will begin at the usual time after the
holidays.

At the December meeting, the
county board of education decided
that the Christmas vacation in the
township schools should extend over
a similar period. They will close at
the usual hour next Friday, however
and will reopen on the Monday after
New Year's Day.

TEN-DAY-OLD GIRL DIES

Beverly Jean Goddard, ten day
old daughter of Mr. and Mrs. Albert
Goddard, died Sunday afternoon
about 3:30 o'clock at the home of
Will Goddard in Noble township.
The funeral services were conducted
this afternoon by the Rev. Talmage
Defrees and burial was made in
East Hill cemetery.

APPEALS FOR ONES WHO SANTA FORGOT

George C. Wyatt Joins With Gov.
McCray and Secretary of State
Jackson in Open Letter

SAVE A LIFE FOR \$60 A YEAR

Return Envelope Included in Which
to Make Contribution to Near
East Relief

George C. Wyatt, of Rushville,
has joined with Governor Warren T.
McCray, honorary chairman, and
Ed Jackson, state chairman, of the
Near East Relief in an appealing
letter to people of Rush County in a
call for help for the stricken chil-
dren of the Bible lands.

It is the annual Christmas letter
from "the land that Santa Clause
Forgot". There is the throbbing ap-
peal of a little child in every line.
The letter runs thus:

"During the Christmas season—the
season of peace and good will—the
normal man finds himself want-
ing to bring a little extra good cheer
into some saddened life. To all hav-
ing such desire we want to commend
for consideration the helpless or-
phans of the Near East—principally
Armenia. We firmly believe that
these children present the most out-
standing case of need to be found in
the world today. More than 117,000
of them are in the care of Near East
Relief and there are perhaps twice
as many more still wandering, hun-
gry and cold, homeless and helpless
—and hopeless, except for their hope
in America. How they live God only
knows. In fact they do not all live.
The death rate among them was
fearfully high in August. It is very
much worse now. Before spring
many thousands of these children
will inevitably perish unless Near
East Relief aid can be extended so
as to include them."

The life of one of these children
can be saved for \$60 a year and it
can be paid \$5 a month if desired.
"Will you not include one or more
of these helpless little ones in your
budget for the coming year?" is the
request. "Do not forget that they are
suffering mainly as a result of per-
secution because of their parents'
Christian faith and because their fa-

DENTIST SHOOTS ALLEGED ROBBER

Dr. P. J. Cunningham of Princeton,
Ind., Probably Fatally Wounds
Man Forcing Way Into Office

INVITED IN. STRANGER SAYS

(By United Press)
Princeton, Ind., Dec. 19.—Dr. P. J.
Cunningham, a leading dentist of
Princeton, shot and probably fatally
wounded a man in his office early
today.

The dentist said he shot in self
defense after the stranger had forced
an entrance to his office and came
at him with a knife. The
stranger said Dr. Cunningham invited
him into the office and then shot him.

"Here it is Christmas and I'm
shot and I've got a wife and daugh-
ter at 72 East 86th street, New
York," the man said as he laid on
the floor of the dentist's office with
one bullet hole through his right
breast and another bullet lodged
above his heart. He asked the police
to notify his wife and ask her to
come to him. He gave the name of B.
A. Stokel, 42.

Dr. Cunningham who sleeps in his
office, told the police the stranger
tried to spring the lock on his door
with a case knife in an effort to steal
gold and other material he uses in
his work and valuable instruments.

Two years ago Dr. Cunningham
caught a thief in his office and turned
him over to the police. He entered
the office about six o'clock in the
morning—the time the shooting oc-
curred today. There is less activity
around a dentist's office then than at
any other time.

Stokel was well dressed and talk-
ed with a slight accent.

Police Smash Homes, Clubs and Saloons, Seizing Liquor And Throwing Owners in Jail

750 ARRESTS DAY'S TOTAL

"Oasis of America" Squeezed Dry When Homes of Social-Elect of "Gold Coast" Are Invaded

(By United Press)
Chicago, Dec. 19—Police smashed into homes, clubs and saloons until an early hour today, seizing liquor and throwing owners of it in jail.

Seven hundred and fifty persons, including the social-elect of the "gold coast", down to residents of the alleys back of the yards, faced police judges.

Orders of Police Chief Fitzmorris turned every Chicago policeman into a Carrie Nation.

"Clean up your beat or your job is gone", the chief ordered.

Harry W. Mager, former U. S. collector of internal revenue from the Chicago district, was one of the last to be arrested in week end raids.

Mager was seized in an apartment and booked on a liquor law violation charge. Police said a woman in the apartment turned over \$500 worth of liquor Mager gave her to keep for him.

Search warrants were not used in raids on homes. Police refused to listen to pleas of "sanctity of the home" when invasions were made.

Chicago, long known as the "oasis of America" was squeezed dry today. Two hundred saloons had been closed. Owners of others put padlocks on doors in disgust.

Following the raid on the Casino Club, most exclusive in Chicago, other clubs poured out their lockers.

Hotels posted notices to guests in which they reaffirmed belief in the eighteenth amendments.

All those arrested were booked on charge of violating the Illinois search and seizure act, said to be the most drastic in the country.

"The more exclusive the place raided the better I like it," said Chief Fitzmorris. "I may have my own ideas about prohibition, but law is law."

Campaign to clean up Chicago followed closely a series of murders said to have been committed by moonshine crazed men.

SHERIFF'S SON IS KILLED

Shot in Running Battle With Striker, Who is Also Killed

(By United Press)
Sioux City, Ia., Dec. 19—Lewis Jones, son of the sheriff, and Haffen Kaled, an alleged striker, was killed in a battle in the packing strike zone today. Killed was accosted by the sheriff and his son as he started across the district and Kaled slugged young Jones on the head and started to run. Jones pursued him, ordering him to halt, and almost overtook him when Kaled shot. Sheriff Jones shot Kaled who died while enroute, to a hospital. Young Jones died in the hospital.

The strikers caused considerable trouble stealing automobiles and beating up pedestrians. State troops are expected to be called. Union officials claimed that Kaled was a strike breaker and not a union member.

The communication added, however, that no figure for France had been fixed and that all information with regard to such a figure was "premature and inexact."
(American Ambassador Harvey called on Briand in London last night and it is assumed that Briand's statement was made to him).

Tokio, Dec. 17. (Delayed)—A wave of agitation against the decisions of the Washington conference on limitation of armaments, which government leaders interpret as part of a domestic political battle with little possible effect on international affairs is sweeping Japan.

A mass meeting has been called in Tokio to protest against conference decisions. Some extremists are advocating a demonstration on the return of the Japanese delegation from Washington.

The press seemed more dissatisfied than ever now that its demands for saving the dreadnaught Mutsu has been granted, despite the first favorable reaction.

Yellow newspapers increased their cries that Japan is being humiliated by dictation from the United States and England.

New York Stocks

New York, Dec. 19—Despite an advance of over four cents in Sterling, the New York stock market today was inclined to heaviness at the opening. This heaviness was particularly noticeable in the oils with Mexican Petroleum, Asphalt and the Pan Americans showing fractional declines.

There was a continuation of the selling of Sugar stocks and American Sugar made an early low below 51. Independent steels were also fractionally lower.

On the other hand the high class dividend paying rails showed an inclination to advance, the Atchison made a new high on the move at 94 up ¼. There was also heavy trading in Delaware, Lacawanna and Western around 119. The lower priced rails, however were off with the selling heaviest in New Haven and the St. Paulisies.

HEAVY DAMAGE IN STORM

Buffalo, N. Y., Dec. 19.—One man dead, three injured and property damage estimated at \$750,000 was the result of a terrific storm which swept the city yesterday. Forty homes were destroyed along the river front. The coast guard rescued ten families. A number of house boats were also destroyed.

We can take a few more orders for Christmas Delivery. WALLACE. 23616 Photographer.

New Rules Of Game

Chicago, Dec. 19.—The rules of the game of chaperonage were changed drastically today. The new rules go into effect at once at Northwestern university and adoption is being urged by all other middle western co-educational institutions.

Headed by Dean Mary Ross Potter, the official rules body demanded the following be observed at the dances at Northwestern.

- 1—Chaperones who will dictate.
- 2—Elimination of peek-a-boo waists, and short skirts.
- 3—Forbid dance of dancing chin on shoulder.
- 4—Elimination of the by-products of the toddle and the shimmy—the "snaky glide, and "intimate twists".
- 5—No smoking by either co-eds or males at the dances.

RAIDS FAIL TO DEVELOP

Pittsburg Kas., Dec. 19.—A squad of national guard machine gunners were rushed to Cherokee, south of here, early today when military and civil authorities received reports that the "Amazon army" of the "rump" coal miners was about to renew activities and raid several mines. The raids failed to materialize.

GUILTY OF MANSLAUGHTER

Adrian, Mich., Dec. 19.—Mrs. Mattie Kirby, was found guilty of manslaughter by a jury here today on charges of having caused the death of her daughter's new born illegitimate baby.

WEEK-END CRIME WAVE

Indianapolis, Ind. Dec. 19.—A white woman carrying a baby was attacked in her home by a negro and a negro murder featured a week-end crime carnival in Indianapolis.

A LA BARREL

Detroit, Dec. 19.—"Stop!" commanded Policeman De Lisle, to an auto driver. The auto ran close to De Lisle and a loud "swish" startled passers by.

De Lisle saw his trousers hanging on the fender of the auto. He dove into a drug store.

A. H. Wanseele, branch manager of the American State Bank, the driver of the car, was fined \$85 and costs and ordered to buy De Lisle a pair of \$15 trousers today.

SUPERINTENDENT'S TO MEET

W. E. Wagoner, county school superintendent, this morning received notice from State Superintendent Barrie, that a meeting of the Sixth District superintendents would be held in Rushville on February 14 and 15. The state officials also sent a program outlined for the meeting, and the various school heads of the county will have part in the sessions.

STATE REPRESENTATIVE DIES

Hartford City, Ind., Dec. 19.—Jerry Cronin, 62, democratic representative in the legislature from Wells and Blackford county, died at his home here yesterday from heart trouble. He will be buried from the Catholic church Wednesday. Representative Cronin was a candidate for democratic nomination for state senator and it appeared he would not be opposed.

FOR STEALING CHICKENS

Portland, Ind., Dec. 19.—Cliff McNutt and Dan Urick, were found guilty today of stealing chickens and sentenced to sixty days in jail and fined \$50 each.

CHRISTMAS GREETINGS

Rush County National Bank

RUSHVILLE, INDIANA.

Dear Friend:

The greatest period of all the year, the period which radiates the spirit of kindness and love is Christmas Time.

You love to spend hours recalling the friendships and acquaintances of many people whose acts of kindness have won a permanent place in your life. When the time comes to show your appreciation, you will find it takes extra money to carry out your wishes.

Millions are saving each year for Holiday Expenses, and we want you to join our 1922 Christmas Club now forming and next year have plenty of money when you need it most.

Ask your friends to join with you. There is no better method for saving money than in our Christmas Savings Club because it is easy, safe and sure.

Cordially yours,

RUSH COUNTY NATIONAL BANK.

Bright Spots in News

Cleveland, Ohio—Felix Colin says his wife wouldn't give him his meals until her folks finished theirs. Now he wants a divorce.

Chicago—Dr. Ernest E. Breaks fainted when an attorney asked him how long it had been since he kissed his wife, in a hearing on his suit for divorce.

Panama, Ills.—"Sorry we shot you Jack, hope you make a speedy recovery" bandits who shot Jack Williams, cashier of the State Bank here when they robbed it of \$31,000 wrote the wounded man.

Chicago—Chicago has passed through its most immoral year, the Church Federation told the world.

New York—When Betty Landers took off her coat in court the judge gasped because all Betty wore was a pair of pink socks—rolled down. Betty was pinched for dancing on the subway platform, that way.

Ossining, N. Y.—When Warden Laws of Sin Sing, found his safe had jammed and couldn't be opened, 25 expert safe crackers volunteered to tap it for him in a jiffy. He declined with thanks.

Pittsburgh, Pa.—W. C. Hall, prohibition agent, found a large quantity of evidence in a local cafe. Two hours later cops had to drag him by the heels into a cell. He got ten days.

CENTER LOCATED IN STATE

Telephone System Center Found Near Center of Population

Indianapolis, Ind., Dec. 19.—The center of the telephone system of the United States has been located in Indiana near the center of population as found by the census bureau, according to Frank Wampler, general manager of the Indiana Bell Telephone Company.

If a meridian were drawn through the telephone center, there would be as many telephones west of the line as east of it; and if a parallel of latitude were drawn through its center, there would be as many telephones north of it as south of it.

The center of individual incomes of postal receipts would be farther to the north and farther east. The motor vehicle ownership center would be near the telephone center, but would lie somewhat northwest of that point.

Dainty Accessories

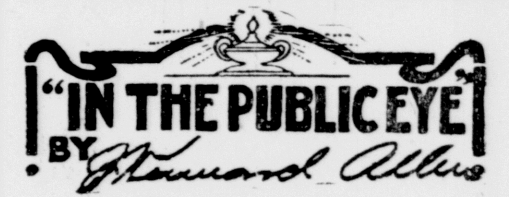

Innumerable pretty things in dress accessories and house furnishings are presented in the shops at Christmas time for women. The only difficulty is to make the right choice among them. Whoever determines to settle upon neckwear cannot go wrong; for no woman ever cries "hold, enough!" in this matter of dainty accessories. A vestee and collar of embroidered swiss, as pictured here, is a thing of sheer beauty that is sure to please.

AGED MAN BREAKS HIP

William Bunzendohl, living south of Glenwood, accidentally fell last evening while on his way to church and fractured his hip bone. The injury is regarded as serious on account of the advanced age of Mr. Bunzendohl. His daughter, Mrs. Charles Schlegel of Oxford, Ohio, and son Fred Bunzendohl of Connersville, have been called.

Do Your Bit

The public should give heed to the suggestion of Postmaster General Hays that the use of odd sized and odd shaped envelopes be avoided. The odd shaped envelopes, particu-

larly very small sizes, cause considerable delay in the handling of mail. There is really no reason why there should be more than three or four different sizes of envelopes and if the use of envelopes were confined to these sizes the handling of the mail would be greatly facilitated. In all of the larger offices the stamps are canceled by machinery and these machines work most effectively if the envelopes are uniform in size and shape. Until recent months the Government has been printing eleven different sizes and shapes of stamped envelopes. Thus the Government really encouraged the use of numerous and unnecessary sizes of letters. Recently, however, the Department has discontinued the manufacture of five sizes and will discontinue their sale when stocks remaining on hand have become exhausted. This will leave six different sizes of envelopes supplied by the Government with stamps attached. Quite likely experience will show that even this number can be reduced without causing any inconvenience to the public and with increased efficiency in the handling of the mail.

Probably the most verbose statesman on the floor of the Senate is Reed of Missouri, picturesque frequently, but like Tennyson's brook, going on forever. Ashurst, one of his Democratic colleagues, sped a shaft into Reed recently. Ashurst wanted evening debate on the tax bill and Reed remarked: "The Senator wants it to go on night and day. We who have to work would like to have a little time to sleep and a little time to reflect and study". To which Ashurst replied: "They sleep while the Senator is speaking." If they do they get more than the required eight hours.

The fellow who doesn't claim to be good and yet is not really bad is entitled to some distinction. He is so very few.

In these days of modernity the world is profoundly generous. It sympathizes with those who do not need it.

Sometimes, though, an optimist is one who has been stung and doesn't want other people to know about it.

The things you don't do may not make you rich, but they seldom get you into trouble.

Don't waste your sympathy on yourself. The other fellow expects it.

ODD FELLOWS TO MEET FAIRVIEW

What is Anticipated to be the Best Game of The Season Will be Played Here Tomorrow

VISITORS HAVE REAL TEAM

Local Independents Have Games Booked With Carmel, Columbus and Other Fast Teams

One of the best basketball games of the season is promised tomorrow night at the Modern Appliance "Gym" when the Fairview A. C.'s come for a game with the Odd Fellows Independents. Figuring from the "dope" Fairview is the strongest team to play here to date and a hard fought game may be expected.

Fairview has defeated the Carthage "Yankee Five" team twice this season. Carthage defeated the Y. M. C. A. leaders of Indianapolis and the Indianapolis team defeated the Sandusky outfit, which took the locals into camp in the first game of the season November 22.

The Fairview aggregation has been playing for several weeks meeting fast teams and are coming here to win. On the other hand the locals are out to hit their stride and will give the visitors a battle for the honors.

With the game at Connersville Saturday night the locals started on a heavy schedule and members of the squad are rounding into shape for the grind. The game last Tuesday with Shelbyville was a hard one to lose, but the locals are not downhearted and will be in there fighting all the time. Several changes may be made in the line-up in an effort to produce a winning combination. The squad has the material and with a little more conditioning should get into winning shape. The offense of the team is good and in the last few games they have scored enough points to win the ordinary contest. They are now speeding up on defense work and expect to make a better showing in this department.

A preliminary contest for the game tomorrow night will be played between the Presbyterian and Baptist Sunday school teams. These games are attracting much interest and the management of the Odd Fellows team has been commended for giving the boys a place to play. In this connection it is also announced that in the future games will be called earlier. It is planned to call the curtain raiser Tuesday night before 7 o'clock if possible and get the big game started at 7:30 or 7:45 in order to accommodate persons who may have other engagements.

Several fast teams have been booked for games here in the near future. The Carmel Keltis, one of the best aggregations in the state, will play here Tuesday night December 27 and negotiations are under way for a game here with the Columbus Commercial Tuesday January 3. The fast Sheridan Commercial have also been booked for a game here January 17 and the Odd-Fellows will play a return game there February 8.

The Milroy K. of P. team, composed of former high school stars, will also be booked for a game here in January. This team held Sandusky to a close score in their first game and expect to figure in basketball circles over the state.

In addition to these games negotiations are also pending with Richmond, Anderson, Cambridge City, Frankfort and other fast teams for games. The Greensburg Y. M. C. A. will play a return game here later in the season and Moscow will be brought back for another game. Sandusky probably will play a return here also as they have no playing floor at Sandusky. It is believed the Decatur county aggregation will prove a big drawing card if they play a return game.

A district independent tournament will be held here February 10 and 11 according to present plans and indications are that at least sixteen teams will participate. With all these games in prospect basketball fans will not lack for amusement.

The Odd Fellows have two games scheduled with Carthage the first to be played on their floor December 29 and they come here for a game January 24.

A SCORELESS TIE

Chicago, Dec. 19—Staleys of Decatur and Cardinals of Chicago State professional football championship claimants, battled to a nothing to nothing tie yesterday afternoon.

PACE IS TOO FAST FOR VALLEY MILLS

Rushville's Hardwood Athletes Hit Strenuous Clip Saturday Night And Win, 37-20

SCORE 7 POINTS AT OUTSET

In Last Half Every Man on Team Cages Basket in Rapid Succession, Piling up Big Lead

The Rushville high school basketball team added another victory to their credit on Saturday night, when they took the Valley Mills high school team down the line to the score of 37 to 20, on the floor at Valley Mills.

The local team displayed superior work throughout the game, and in the last six minutes of play they set a pace that no team could stop, when seven field goals were made with as many shots for the basket.

In the start of the game Casady caged a couple of field goals, Pugh threw a foul and repeated with a field goal, giving the locals 7 points before Valley Mills could count.

The home team called time, and entered the game with a renewed spirit, and soon the score was tied at seven points. The rest of the first half was a see-saw affair and the period ended with Rushville in the lead two points, 15 to 13.

When the second half opened Valley Mills jumped into the lead when they made good on two long shots. Phillips for the locals evened up the score and put Rushville in the lead when he made a couple of field goals, giving Rushville 21 to Valley Mills 17.

Then came the big walk-away for the locals, when Casady got the ball from Frazee's top off and threw it in the basket. Every man on the team took a shot during the next few minutes and every one of the seven throws counted for a basket, including a clean shot by Frazee.

The locals were hitting a fast stride when the final whistle blew, and the Valley Mills team was simply played off their feet during the closing minutes.

Phillips at floor guard was the outstanding man for points, getting seven baskets and two foul shots.

Practice this week will be devoted for the New Palestine game on Friday night, and the visitors are not to be underestimated, as they have a good team and will give Rushville a hard game.

ODD FELLOWS IN LAST HALF RALLY

Come From Behind in Game With Reserves at Connersville Saturday Night and Win

3-POINT MARGIN AT LAST GUN

Hold Opponents to Two Field Goals in Last Half While They Go Out and Cage Seven

Showing considerable speed in the last few minutes of play, the Rushville Odd Fellows downed the Connersville Reserves on their floor in that city Saturday night, by the close count of 29 to 26, in a game that was nip and tuck from start to finish.

Connersville presented a much stronger line-up than the one they used in the game played here a few weeks ago, but the locals showed considerable improvement.

Rushville was first to score in the game when Shaw landed on a field goal, but after that Connersville scored and the game was close, but the Reserves had the best of things in the first half and were leading 18 to 13 when the period closed.

Trailing behind five points when the half opened did not cause the Odd Fellows much concern, and they soon forged to a tie, and Connersville was held to two field goals during the final period, while Rushville secured seven and two fouls.

The game was pronounced as the best played in that city this year, and the locals staged a wonderful comeback that won the game, as Connersville was leading up until a few seconds before the last gun.

Every player on the team put up a good game. In the last ten minutes Martin again took his position at center and the locals had the best of the toss-up. Martin caged a couple of goals during the time that he was in the contest.

Another big contest is expected to be played here Tuesday night, when the Fairview quintet comes for a game with the Odd Fellows.

The line-up and summary: Rushville (29) Connersville (26) Stoops -----F----- Cates Tittsworth -----F----- J. Tressler Shaw -----C----- Lipps Becker -----G----- Merchant Norris -----G----- Wanley Substitutions: C. Tressler for Cates, Keller for J. Tressler, Martin for Shaw, Shaw for Tittsworth, Tittsworth for Becker.

Field goals, Cates 2, J. Tressler 3, Merchant 3, Lipps, Wanley, Shaw 4, Norris 2, Tittsworth 2, Martin 2, Stoops.

Foul goals, Cates 3, J. Tressler 3, Shaw 5, Tittsworth 2.

PROSPECTS GOOD AT WISCONSIN

State University Will Have Better Basketball Team Than One Which Tied Third Last Year

(By United Press)

Madison, Wis., Dec. 19—Wisconsin will be represented by a better team this year than the one which shared a triple tie for the Big Ten basketball championship last season.

Five veterans are returned to the folds, Captain Caesar and Taylor, forwards; Rollie Williams, guard; Tebell and Gage, substitute guard and forward respectively.

It was the "Wisconsin short pass" game which kept the Badgers in the running last year, and with two of its leading exponents on the team again, Caesar and Taylor, the offensive work of the quintet should be vastly better.

Only a brilliant defense can smash a smooth-working short pass attack. That was shown conclusively in the last campaign. This type of play takes the defensive guards away from the basket and leaves many open shots at the cage. Forming a compact circle the Badgers work the ball down the floor, practically without molestation. They seldom resort to dribbling or long shots.

Again, the short pass is the feature of the attack. It is now almost as well-established as the old-time "Minnesota shift" in football.

Gibson and Johnson are fighting merrily for center the only vacant post on the quintet. Neither appears to have the edge.

Substitutes of repute are Brumm and Gill, guards, and Rudiger, forward.

AMUSEMENTS

Eugene O'Brien at Princess

Mighty good entertainment comes to the Princess theatre today for a two days' run, when Eugene O'Brien appears in a new comedy-drama, "Chivalrous Charley".

In a word, "Chivalrous Charley" depicts the attempts of young Charley Reilly to live down a reputation for too much gallantry toward the ladies. Coming back to New York after some years in the West, where he had been sent by an indulgent uncle in the hope that western life would correct him—Charley concludes that nature is stronger than environment. In fact, the metropolitan environment seems instantly upon his arrival to offer more opportunity for misdirected zeal in behalf of the gentler sex than his uncle anticipated, when Charley was invited home. Finally, finding his nephew to be incorrigible, his uncle engages a captivating Miss and a host of confederates to inveigle him into such a series of complications as will prove conclusively that gallantry is a practice to be left to the keeping of the middle ages.

The action of the story moves with hair-raising rapidity, situation, and growing in interest to the last foot of film. There are hectic fights, inspiring rescues, breathless escapes and a final cross-country motorcycle race between the hero and his bride and the police.

Credit must be given to Nancy Deaver, George Fawcett and Huntley Gordon among the cast and to Robert Ellis, who directed the picture.

Clara Kimball Young, Mystic

Rarely, if ever, has the placing of a ring upon the finger of another been known to bring immunity from death. Yet such was the power of the famous Mystery Ring of the Hill Indians, worshippers of the Sun, as portrayed in Clara Kimball Young's picture "For the Soul of Rafael," which comes to the Mystic Theatre today for two days.

Raquel Estevan, the heroine of Marah Ellis Ryan's story of early Californian life, was, by adoption, a member of the tribe of Hill Indians, and according to tribal ritual, attended the ceremony of the New Year when the Indians relight the sacred fires on their altars in honor of the Sun. She was given gifts of sandals, an Indian robe, and a ring. Late at

night she is led into the hills, where the Indians are gathered around an altar awaiting their coming. The chief calls upon Raquel to take up a torch, and light the torches of the four couriers, who will bear them to the tribes of the four winds. While Raquel is obeying instructions, the Indian sentinels, posted on the trails below, capture two white men, and the Chief orders them to be put to death, thinking that they are spies. The nurse whispers to Raquel that if she put her Indian ring on the hand of one of the white men,

they would be saved. Raquel quickly takes her ring off and places it on the hand of Bryton.

Later, Raquel discovers that through the act of placing the ring on the white man's finger she is, by all the rights of the Indian ceremony, betrothed to him.

VALUES

Of lands and goods are like the shifting sands and should not constitute all of the assets of any person, but should be protected by a Bank Account at all times. When values shrink, a good Bank Account will fill the gap and safeguard your business or property.

YOUR DOLLARS

In a good Bank never shrink and Bank Savings accumulated the past few years have even increased in value, measured in purchasing power, more than 50 per cent, beside being available at all times when judgment dictates.

GOOD JUDGMENT

However, should dictate that you keep your funds within your own control, and avoid speculative (investments) that your Bank Reserve can not safeguard; also that your Bank Reserve should be with a strong reliable, friendly Bank, that is alive to YOUR interests at all times.

SOCIETY

Mr. and Mrs. Eli Lucas had as their dinner guests last Friday at their home north of the city, Mrs. Hugh Abercrombie.

The regular meeting of the Delphian Society which was to have been held Friday afternoon in the new ladies club rooms of the Elks club, has been postponed until the second Friday in January.

Mrs. Walter E. Smith will be hostess at the annual Christmas party of the Tri Kappa sorority this evening when a pitch-in supper will be served and gifts will be exchanged. All members of the sorority are urged to take their own dishes.

Mr. and Mrs. D. C. Brooks were gracious host and hostess with a high noon dinner Sunday at their beautiful new home east of the city. Their guests were the Rev. and Mrs. Talmage Deftrees and Mr. and Mrs. Paul Foster and son Emerson. They heard Miss Aboldo give her interesting talk on the Philippine Islands at Ben Davis Creek church in the afternoon.

The Industrial Club will be entertained at the home of Mrs. Eva Offutt in East Sixth street Wednesday afternoon. There will be the annual exchange of gifts. Each member is requested to bring a gift that can be purchased for twenty-five cents. All members are cordially invited and are requested to bring cups and silverware and to come prepared to sew.

Miss Mary Laughlin entertained a number of her friends last evening with an informal party at her home in Glenwood. The guests were Mr. and Mrs. Eddie Ventz and Miss Nina Robertson of this city, Miss Edna Raff, Herman Hinchman and Francis Hinchman of Glenwood and Earl Frank of Connersville. The guests enjoyed a theatre party in Connersville following the party at Miss Laughlin's home.

Mrs. Fanny Amos was hostess for the December meeting of the Rushville chapter of the D. A. R. The regent, Mrs. Bertha Logan, read a message from the state regent. The chapter voted to send a contribution for the state work and also to buy a Christmas Health Bond. A message from the president general was read by Mrs. Rena Warner. The beautiful Christmas carol, "Silent Night" was sung by a quartette composed of Mrs. D. D. VanOsdel, Mrs. Georgia Moore, Miss Alice Norris and Miss Wanda Wyatt. A reading, "The Night Before Christmas," was given by Mrs. Leila Gilbert. After the program gifts were exchanged from the Christmas grab bag and dainty refreshments were served. The assisting hostesses were Mrs. Lilly Mauzy, Mrs. Elizabeth Caldwell and Miss Emma Casady.

ARMED GUARDS ON DUTY IN WALL STREET

Precautions Taken After Anonymous Warning That Financial District Was to be Blown up

LETTER RECEIVED BY BROKER

New York, Dec. 19.—Special armed guards were on duty today at the New York stock exchange, the sub-treasury and other buildings in the financial district, while Wall Street was on tip toe in expectation of another bomb outrage.

According to an anonymous letter of warning received by Charles T. Morgan a week ago, he immediately changed and an area extending five blocks around it was to be dynamited today.

This warning was received by Morgan a week ago. He immediately reported it to the police who have been working on the case ever since trying to locate the plotters. The first desire was to catch them in the act of placing the bomb, but when news of the warning letter became public, this was abandoned and the authorities devoted their efforts to rounding up the gang.

The men under suspicion are Italians and are not connected with the Wall Street bomb plotters of September 1920. Their headquarters are believed to have been at New Rochelle, N. Y. only a short distance from New York.

Big Flatrock Pastor is Being Assisted by State Evangelist

A ten days revival meeting is now in progress at the Big Flatrock Christian church, having started last Wednesday night in the new church recently completed by the congregation. Large audiences have been attending and a fine interest is being shown.

The pastor, the Rev. W. T. Crawley, is being assisted by the Rev. Charles E. Shultz of Newcastle, state evangelist, and E. C. Hewson of Charlottesville, a singer. There is a senior chorus of forty voices and a junior chorus is being organized. Two additions were reported on last Thursday night. The meetings will continue until Christmas.

TRAIL OF YEGGMEN IS LOST

Attempt to Break Into Bank at Parker, Ind., Sunday Morning

Muncie, Ind., Dec. 19.—Police here have found no trace of yeggmen who early Sunday morning made an unsuccessful attempt to enter the Parker Banking company's building at Parker, just over the line in Randolph county. The three robbers who were seen while attempting to force the door by John Anderson, a baker, and frightened away, are said to have headed towards Muncie, but no men or automobile answering the description given by Anderson, have been seen here. The robbers cut all telephone wires before starting their work and the news of the attempt could not be sent to neighboring cities until several hours later.

DEGREE STAFF TO REHEARSE

The Odd Fellows first degree staff will rehearse this evening in preparation for conferring the degree Wednesday. Every member of the staff is requested to attend.

Fadeless Flowers

Flowers made of petals cut from paper tape and coated with colored sealing wax, are among the novelties that add to the cheerfulness of home and Christmas this year. A cluster of them in several different colors, in a vase that is also coated with the wax, makes a very pleasing bouquet for the living room or dining table. The colored wax is a substitute for paint and a small alcohol flame becomes the brush for making the fadeless blossoms.

PREMIERS MEET IN LONDON

Reparations Situation Discussed by Briand and Lloyd George

(By United Press) London, Dec. 19.—Premiers Briand and Lloyd George in their first meeting on the reparations situation today discussed only general problems, it was learned authoritatively.

Several questions which arose were handed over to Sir Robert Horne, chancellor of the exchequer and the French treasury expert for detailed analysis. The conference will be resumed at 11 a. m. tomorrow. The treasury officials met this afternoon to consider the problems submitted to them.

POLICEMAN FOUND DEAD

Indianapolis, Ind., Dec. 19.—Jacob Bush, merchant policeman, was found dead in the streets early today after he had been seen fighting with an unidentified man. The man knocked Bush down and succeeded in getting his revolver. The only wound found on Bush's body was a cut over the eye and a few cuts over the body. Police arrested Charles Callaghan who formerly worked with Bush and the two men had quarreled about four o'clock.

SEARCH FOR SLAYERS

THROW GERMANY INTO BANKRUPTCY IS PLAN

At London Conference Premiers Lloyd George and Briand Announce Plan Suggested by France

AGREEMENT TO BE BINDING

By WEBB MILLER (U. P. Staff Correspondent) Paris, Dec. 19.—France plans to throw Germany into bankruptcy, it was semi-officially stated here today.

At the London conference between Premiers Lloyd George and Briand the following plan will be suggested by France.

1—The allies are to recognize the bankruptcy of Germany.

2—An allied commission is to take charge of German tax collections and assets just as would be done in the case of a private bankrupt.

3—The printing of paper marks is to be halted.

4—The commission is to control the customs and tobacco and coal monopolies.

Agreement would be binding under an arrangement similar to Wiesbaden agreement.

MAY CALL MEET ON MEXICAN AFFAIRS

Chief Purposes Would be to Obtain Treaty Which Would Pledge Protection of American Rights

OTHER MEANS HAVE FAILED

Suggested Conference Would be Held Some Date Following Conclusion of Armament Conference

Washington, Dec. 19—The calling of a conference on Mexican affairs is being considered by President Harding.

The suggested conference would be held at some date following the conclusion of the armament conference and would take place either in Washington or some accessible place near the Mexican border close friends of the president said.

Its chief purposes would be to obtain a treaty with Obregon by which Mexico would pledge protection of American rights and to grant recognition to the Mexican republic.

One reason for the belief that a conference is to be called is the fact that all other means have failed. Secretary of State Hughes drafted a treaty and George Summerlin, American charge at Mexico City, tried to get it signed without success. President Harding then adopted the informal method of dealing with Obregon through a personal emissary who tried to induce Obregon to accept the treaty.

Both attempts failed because Obregon flatly refused to sign the treaty until recognition has first granted. He declared that Mexican pride would not permit him to sign the treaty as the price of recognition and that the government would be overturned within 24 hours if he did.

President Harding has been assured through personal sources

Evansville Contractor Says it Took All His Grit to Stick On Job

"I was on the verge of a complete breakdown when I began taking Tan-lac but I am as well and strong now as I ever was in my life," said William J. Beal, contracting carpenter of 708 Locust St. Evansville, Ind.

"My troubles started with indigestion and for months I was going down hill steadily and losing weight and strength every day and it took all my grit to stick on the job. My back hurt me a good deal, too, especially at night and I got very little rest.

"I weigh my words when I say that in all my sixty years I have never come across the equal of Tan-lac. It has simply made a brand new man of me and I eat, sleep and feel better than in years."

Tan-lac is sold in Rushville by F. B. Johnson Drug Co., and by leading druggists everywhere. Advertisement.

GERMANY TO BUILD BIG ZEPPELIN FOR U. S.

Largest Air Monster in World to be Constructed by German Experts And Will Sail Across Atlantic

REPLACE THOSE DESTROYED

Paris, Dec. 19—The council of ambassadors has authorized Germany to construct the largest Zeppelin in the world for the U. S. it was learned here today. The air monster is to be built by German experts and will sail across the Atlantic when completed. It is to replace the share of the United States in Zeppelins destroyed in German hangars in 1919.

The ship is to be constructed according to the L-70 model, the highest type of flier and will rival the ZR-2 which crashed into the River Humber in England shortly before it was to be delivered to the United States.

There is some opposition here to the authorization which will keep a large number of German technical air experts in training for the building and testing of the ship, it is said.

The Professor Peeked

Chicago Dec. 19—Investigation of reports that a professor in the University of Chicago was caught peeking through the window in a bathroom at KeQnwood hall, a coed's dormitory, was made by assistant state's attorney Bess C. Sullivan.

TIME EXTENSION REFUSED GERMANY

Allied Committee Takes no Excuse
For Extending Payments on
Reparations as Ordered

DEMAND DELAY REASONS

Commission Expresses Surprise in
Note to Germany, Answering
Refusal to Make Payments

By WEBB MILLER
(U. P. Staff Correspondent)

Paris, Dec. 19.—The allied reparations commission refused to consider the German request for extension of time in reparations payment it was announced here today.

The commission demanded in a counter note to Chancellor Wirth that it immediately be furnished with details regarding promised payment guarantees to be furnished in the meantime and definite information as to the delay which was asked.

Until these details are received the commission cannot discuss the German request.

The note which is in reply to one of Germany stating she could not hope to meet her January and February installments expressed the greatest surprise that Germany did not allude to measures taken to fulfill previous demands for payment.

"The commission cannot but express surprise in not finding in the note of Chancellor Wirth any precision regarding securities Germany is ready to furnish in lieu of the January and February installments or as to the length of the delay requested or the security which must be offered in the interval," the note read.

"At least and until the commission receives these precisions it is impossible to consider or even examine the request of the German government."

"The commission regrets the absence of any allusions to measures Chancellor Wirth has adopted to give full satisfaction."

The communication also draws attention to the previous demand.

* CUT OUT PAPER MONEY *

(By United Press)

Telluride, Colo., Dec. 19.—No more paper money. That's the slogan adopted by the Bank of Telluride. For the first time in years, the teller's cage recently contained nothing but gold and silver money. All checks were cashed and all large change given in gold and silver coins. Silver dollars, five, ten and 20 dollar gold pieces were given out instead of paper money.

Bank officials said metal money proved more satisfactory in handling.

WHY THAT LAME BACK?

That morning lameness—those sharp pains when bending or lifting, make work a burden and rest impossible. Don't be handicapped by a bad back—look to your kidneys. You will make no mistake by following this Rushville resident's example.

Mrs. Albert S. Gard, Oliver St., says: "Doan's Kidney Pills surely are a fine medicine. I have used them a number of times when my back has been lame and sore. It has been hard for me to stoop on account of the sharp pains in my back. My kidneys were weak and didn't act right. I heard of Doan's Kidney Pills at this time and purchased a box, which soon relieved the trouble. After using a few more boxes I was rid of the complaint."

parations Payments is Cause

COULD REALIZE 500 MILLION

Washington, Dec. 19.—German notification to the allies of her inability to meet fully her next reparations payments opened up today the possibility of flotation of German bonds in America provided the allies guarantee them.

That Germany could realize \$500,000,000 in this way is the view of competent authorities on allied-German problems.

To this government Germany's latest note is no surprise. Authorities have seen Germany coming to the end of her rope, making it necessary for the allies they believe to take one of the following courses:

- 1—Immediate reduction of the reparations sum.
- 2—Granting a breathing spell or moratorium on the January and February payments.
- 3—Opening of credit channels to Germany.

The latter route is via America, but financial interests would only harken to such a method were the allies to guarantee adequately repayment of the bonds.

Don't Forget, there will be nothing in the Eatable Line

FIGURES OUT HOW FARMER LOSES MONEY

Charles H. Alger Shows From Own Experience as Land Owner That Farming Shows Deficit This Year

WHEAT AS ONE EXAMPLE

Charles H. Alger, 425 North Perkins street, who owns farm land in Jackson township, has figured out from his own experience that at present prices, the farmer loses money. As the owner of the land, he receives one half- and his deductions are as follows:

One-half of 879 bushels of wheat at \$1.08 a bushel amounts to \$439.66
One-half of 739 bushels of rye at 95 cents a bushel amounts to \$360.
One-half of 468 bushels of oats at twenty-five cents a bushel, \$117.
One-half of 150 bushels of barley at 60 cents a bushel, \$45. One-half of 150 acres of corn at 35 cents a bushel, \$1,312.60. The total of his receipts from the farm is \$2,774.82. After deducting one-half for seeds, fertilizer, and thrashing, there is a balance of \$1,843.36. The taxes paid by Mr. Alger amounted to \$2,008, leaving a deficit of \$164.64.

Having been a miller himself, Mr. Alger points out that it takes five bushels of wheat to make one barrel of good grade flour, or eight sacks containing 192 pounds. With wheat at \$1.08 a bushel, the farmer receives \$5.40 and the miller \$7.60 when sacked and delivered, besides \$1.80 for 90 pounds of feed, making a total of \$9.40. The retailer receives \$2 for handling a barrel of flour, making the final cost \$11.40. This is \$6 added after the wheat leaves the farmer's hands. A few years ago the miller and retailer handled five bushels of wheat for less than \$2, Mr. Alger asserts.

Santa Claus Letters

Dear Santa: Please bring me a doll with yellow curls. It needn't be a very big one for I want about thirty other things. Several things I would like to have are a kitchen cabinet, sled, set of dishes and a trunk full of doll clothes. If you see anything else you would like for me to have bring it along. Bring me some regular Christmas candy with flowers in it but the oranges and nuts daddy can get at the grocery. Don't forget my sister Luana and other boys and girls.

Your little friend,
DOROTHY IRIS HIGGS.

Dear Santa: I am eight years old. Please bring me a doll with long yellow curls, a set of dishes, a trunk full of doll clothes, a pair of roller skates, and a doll house. I would like to have several books, too. Don't forget my two grandmas and sister. Your little friend,
LUANA HIGGS.

Dear Santa: I am a little girl eight years old. I want a willow cab, a doll and a black board and some story books and anything else you want to bring. Your little girl,
ELAINE SAUNDERS.

Dear Santa: I am a little girl four years old. I want for Christmas a pair of shoes size 8 and doll cart and a doll and some candy and oranges and please don't forget my little sister. She wants a doll and little wagon and some candy and shoes. We are as ever your little friends,
RUTH EREVILLE and EVA ROSE PATTERSON.

Dear Santa: I am a little boy nearly six years old so please don't forget me. For Christmas I don't want much for things are so high, a pair of high top shoes and an express wagon and pop gun and some candy and oranges. I am as ever your little friend,
PAUL COLVIN PATTERSON.

Dear Santa Claus: I am a little boy seven years old. I want a drum, sled, express wagon, train on track and some oranges, candy and nuts.

FRANCE ACCEPTS NAVAL RATIO PROPOSED IN HUGHES PROGRAM

Official Announcement in London
Means Agreement to Limit Naval
Armament is Not Jeopardized

ANNOUNCEMENT IS EXPECTED

Only Obstacle in Way of Complete
Agreement For Limitation is Said
to be Submarines

BRIAND RESERVES RIGHTS

Says France Will Consider Later
What Her Submersible Tonnage
Should be—French Ratio 1.7.

London, Dec. 19.—France has
accepted the naval ratio pro-
posed by Secretary Hughes.
Premier Briand told Ambassa-
dor Harvey, it was officially an-
nounced today.

Washington, Dec. 19.—An agree-
ment has been reached by the five
naval powers of the world to limit
the battleship armament. Premier
Briand has sent orders to the
France delegation at the armament
conference to back down from the
demand for navy greater than Ja-
pan and accept the decision of the
other powers that France's ratio in
the 5-5-3 plan be approximately 1.7
it was learned from a high Ameri-
can authority.

Secretary Hughes, it was stated,
may make an announcement later
in the day. The only obstacle in
the path of the final and complete agree-
ment on all features of the limita-
tion program now is believed to be
the question of submarines.

Briand in reply to Secretary
Hughes is understood to have stated
that France reserves the right to
consider later what her submarine
tonnage should be.

France's answer to the demand of
the United States, Great Britain, Ja-
pan and Italy that she abandon her
claim to a navy of ten new super
dreadnaughts totalling 350,000 tons
and agree to a sea force of half
that amount, was being received in
sections by the French delegation
here today.

From a reliable source, it was
learned that the answer indicated
France will back down.

Because the French answer has
not yet been completely received and
decided the meeting of the naval
sub committee scheduled for today
was postponed until tomorrow.

JUDGES OF STATE INVITED TO CONFER

Judge Sparks Receives Invitation to
Conference Called by Governor
For January 12

TO PROMOTE UNIFORMITY

A conference on Criminology and
Law Enforcement has been called
by Governor McCray, to be held in
Indianapolis on Thursday, January
12, according to a letter received by
Judge Will M. Sparks, who has been
asked to attend the meeting. Judge
Hugo Pam of Chicago will be among
the speakers, who will address the
judges on "Criminal Law."

Charles W. Hoffman, judge of the
Hamilton county, Ohio, court of
Common Pleas, will also talk on
"Juvenile Law." All circuit court,
city, appellate and other judges have
been asked to attend the meeting.

In the letter to Judge Sparks,
Governor McCray stated that, "The
main idea of the meeting is to pro-
mote more uniformity in the admin-
istration of criminal law and have
a closer co-operation between courts
and the penal and reformatory in-
stitutions of the state."

Judge Sparks will attend the
meeting and has not scheduled any
cases on the court docket for that
day.

At Peace With the World

Washington, Dec. 19.—The
United States is now at peace
with all the world.

The third and last peace
treaty was concluded today
between the United States and
Hungary, according to word
from Hugh Grantsmith, Ameri-
can charge at Budapest. Ratifi-
cations have been exchanged
by cable. Similar treaties
have already been made with
Germany and Austria.

RENEWED WARFARE THREATENED IN DEBATE

Pres. De Valera Says He Would
Prefer to Have Ireland Remain
Slaves Than Accept Treaty

GRIFFITH MOVES ACCEPTANCE

(By United Press)
Dublin, Ireland, Dec. 19.—Renewed
warfare on England was threatened
today on ratification of the peace
treaty.

"I hope to continue to fight if this
rotten document is accepted", cried
Austin Stack, member of the Irish
cabinet. "I would have Ireland re-
main slaves until the end of time
rather than consent to such a docu-
ment", said President DeValera.

Count Bunkett moved rejection to
the treaty. "It is unsatisfactory", he
said. "It means that we must be
false to our oath to the empire or
oath to Ireland. We must respect our
oath to the republic", he continued.

The Dail reconvened after lunch.
Collins took the floor and spoke in
behalf of the treaty. I recommend
the treaty for what it is—freedom.
It is not an ultimate freedom which
every nation aspires, but it is a free-
dom to achieve."

Griffith moved acceptance of the
treaty and DeValera moved rejec-
tion. Members of the Dail jumped to
their feet and cheered when Collins
said "these slippery loppers wanted
to see the British bluff them out.
They have bluffed for the past two
years but we did not weaken."

FIRE IN STOCK YARDS

The fire department was called
Sunday morning about 11:30 o'clock
to the stock yards of the Pennsylv-
ania railroad, where a small fire
was threatening to do damage. The
blaze was extinguished with chemi-
cals. A small boy is said to have
started a bonfire in the pens, and
the straw soon caused the blaze to
spread with the strong wind. No
damage resulted.

OFFICE IN COURT HOUSE

Grace Ewing, County Red Cross
Nurse With Supt. Wagoner

Miss Grace Ewing, Red Cross
county nurse, has established her
office in the court house in the offices
of County School Superintendent W.
E. Wagoner, where she may be
reached in person or by telephone.
With her office in the department of
schools, it will mean a closer co-
operation between school children
and herself, as her business is car-
ried on largely with the school chil-
dren of the county.

The telephone number is 1387, the
same used by the county school su-
perintendent, and in case Miss Ewing
is not in the office, messages
may be left with Miss Mildred
Stewart, an assistant in the office.

GAHIMER LEADS IN 1-ROOM CLASS

Mays and Osborne Tied For Attend-
ance Honors in Two-Room
School Buildings of County

STATISTICS BY SUPT. WAGONER

Total of 575 Pupils Enrolled in 15
One and Two-Room School
Buildings, Report Shows

In the ten one-room school houses
in Rush county, the Gahimer school
had the best attendance record for
the first three months, with 99.3 per-
cent, and in the 5 two-room build-
ings, the Mays and Osborn schools
tied with 98.4 percent for the same
period.

In the one-room buildings, there
are 270 pupils attending school and
in the two-room buildings there are
305 pupils in the schools.

The single and double room build-
ings have rapidly decreased in the
past few years, making room for
township consolidated buildings, but
in several localities of the county the
single and double room buildings are
used on account of the distance from
remote places to the consolidated
schools.

The school at Shively's corner, a
one-room building, accommodates 14
pupils, which is the least in the
county. The Gahimer school has 37
pupils, while the Booker T. Washing-
ton school at Carthage is second
with 25 enrolled.

In the two room buildings the
Circleville school in Rushville town-
ship ranks highest in enrollment with
75, and the Walnut Ridge school,
west of Carthage, has an attendance
of 47.

The Osborn school had a perfect
record on tardies for the first three

NEW LOW MARK FOR WINTER SET SUNDAY

Temperature Drops to Eleven De-
grees Below Freezing But Warm-
er Weather Prevails Today

RAIN OR SNOW IS PREDICTED

Sunday morning established a
new record or this locality, accord-
ing to Elwood Kirkwood, weather ob-
server, who stated that the low
mark of the season was established
when the mercury reached 21 de-
grees above zero.

The previous low mark was 23
degrees, a few nights ago. The mark
set Sunday was 11 degrees below
freezing and water was frozen thick
in many places. He also reported
that during the time from Saturday
until Sunday morning, there were
1.31 inches rainfall.

The highest temperature on Sat-
urday was 55 degrees and the drop to
21 degrees was quite noticeable
within a few hours time. The temper-
ature today and yesterday, was
warmer and the weather prediction
stated that cloudiness would prevail
tonight and Tuesday, with probably
rain or snow tomorrow, and not
much change in temperature, with the
lowest tonight from 28 to 34 degrees.

His Friends Are Not Coming to His
Aid as He Expected, Comparison
With Last Year Showing Christ-
mas Fund Way Behind.

TIME SHORT AND GOING HARD

Santa Claus was still down-heart-
ed today because the week end did
not produce many more contribu-
tions to the Daily Republican-Salva-
tion Army Christmas fund.

It's certain that the under-privi-
leged children of Rushville will have
a very slim Christmas this year
unless there is a ninth inning rally
among the Good Fellows hereabouts.

One year ago today the sum of
\$418.69 had been contributed to the
Christmas fund. One year ago Sat-
urday the Salvation Army kettle
yielded up \$37.60 as compared with
\$15.21. This plainly indicates that
there must be some tall hustling
among the friends of Santa Claus to
make the fund anyway near equal
last year's.

The time is short and the going is
hard, so that it behooves the good
people of the city who want no child
to be unhappy on Christmas morn-
ing, to come forward with open

purses and help swell the total so
that there will be a bountiful Christ-
mas for every youngster in Rushville
in the year 1921.

There is no question about the
need when one examines the report
which have been made by the county
board of children's guardians. Afflic-
tions, lack of work and other causes
have prevented many bread winners
from earning their usual weekly
wage. They have difficulty in pro-
viding enough to eat, much less the
gifts that make little hearts happy
at this season.

This is not the children's fault.
They are all entitled to the same
consideration—will they get it?
That's the question which confronts
all well-wishers of the little ones of
Rushville who are without hope un-
less the kindly-inclined folks of
Rushville step into the breach at
once.

NO OBJECTIONS TO USE OF BUILDING

Residents of Eastern Side of Walk-
er Township Did Not Circulate
Petition, They Say

ALUMNI WANTED GYMNASIUM

People living in the vicinity of
Homer and on the eastern side of
Walker township, today stated that
they offered no objection to the Man-
illa Independent basketball team
playing in the high school gymna-
sium at Manilla, and that as far as
they knew there was never a peti-
tion circulated or even thought of
being circulated against the plan as
suggested by the alumni of the
school.

The court here sustained the rul-
ing of Lew Lewis trustee of the
township, in which he denied the
right of the alumni association to
play in the gymnasium, although 200
people had petitioned him for the
permit.

It was stated that an equal num-
ber, mostly people living in the
Homer neighborhood, were offering
objections, but this is denied. The
people in this vicinity, however, sta-
ted that the petition urging inde-
pendent basketball in the school,
was not very extensively circulated
in that section of the township, where
opposition to the plan was really
expected to arise.

ONE FULL WEEK'S VACATION

Rushville and Township Schools Will
Reopen Monday, January 2

The Rushville public schools will
close next Friday noon for the
Christmas holidays, it was an-
nounced today by Superintendent J.
H. Schell, and will reopen on Mon-
day morning, January 2. This gives
the pupils a vacation of one full
week and a half day which is al-
lowed on Friday afternoon. School
will begin at the usual time after the
holidays.

At the December meeting, the
county board of education decided
that the Christmas vacation in the
township schools should extend over
a similar period. They will close at
the usual hour next Friday, however,
and will reopen on the Monday after
New Year's Day.

TEN-DAY-OLD GIRL DIES

Beverly Jean Goddard, ten day
old daughter of Mr. and Mrs. Albert
Goddard, died Sunday afternoon
about 3:30 o'clock at the home of
Will Goddard in Noble township.
The funeral services were conducted
this afternoon by the Rev. Talmage
Defrees and burial was made in
East Hill cemetery.

APPEALS FOR ONES WHO SANTA FORGOT

George C. Wyatt Joins With Gov.
McCray and Secretary of State
Jackson in Open Letter

SAVE A LIFE FOR \$60 A YEAR

Return Envelope Included in Which
to Make Contribution to Near
East Relief

George C. Wyatt, of Rushville,
has joined with Governor Warren T.
McCray, honorary chairman, and
Ed Jackson, state chairman, of the
Near East Relief in an appealing
letter to people of Rush County in a
call for help for the stricken chil-
dren of the Bible lands.

It is the annual Christmas letter
from "the land that Santa Clause
Forgot". There is the throbbing ap-
peal of a little child in every line.
The letter runs thus:

"During the Christmas season—the
season of peace and good will—the
normal man finds himself want-
ing to bring a little extra good cheer
into some saddened life. To all hav-
ing such desire we want to commend
for consideration the helpless or-
phans of the Near East—principally
Armenia. We firmly believe that
these children present the most out-
standing case of need to be found in
the world today. More than 117,000
of them are in the care of Near East
Relief and there are perhaps twice
as many more still wandering, hun-
gry and cold, homeless and helpless
—and hopeless, except for their hope
in America. How they live God only
knows. In fact they do not all live.
The death rate among them was
fearfully high in August. It is very
much worse now. Before spring
many thousands of these children
will inevitably perish unless Near
East Relief aid can be extended so
as to include them."

The life of one of these children
can be saved for \$60 a year and it
can be paid \$5 a month if desired.
"Will you not include one or more
of these helpless little ones in your
budget for the coming year?" is the
request. "Do not forget that they are
suffering mainly as a result of per-
secution because of their parents'
Christian faith and because their fa-

DENTIST SHOOTS ALLEGED ROBBER

Dr. P. J. Cunningham of Princeton,
Ind., Probably Fatally Wounds
Man Forcing Way Into Office

INVITED IN, STRANGER SAYS

(By United Press)
Princeton, Ind., Dec. 19.—Dr. J. P.
Cunningham, a leading dentist of
Princeton, shot and probably fatally
wounded a man in his office early
today.

The dentist said he shot in self
defense after the stranger had forced
an entrance to his office and came
at him with a knife. The stranger
said Dr. Cunningham invited
him into the office and then shot him.

"Here it is Christmas and I'm
shot and I've got a wife and daugh-
ter at 72 East 86th street, New
York," the man said as he laid on
the floor of the dentist's office with
one bullet through his right
breast and another bullet lodged
above his heart. He asked the police
to notify his wife and ask her to
come to him. He gave the name of B.
A. Stokel, 42.

Dr. Cunningham, who sleeps in his
office, told the police the stranger
tried to spring the lock on his door
with a case knife in an effort to steal
gold and other material he uses in
his work and valuable instruments.

Two years ago Dr. Cunningham
caught a thief in his office and turned
him over to the police. He entered
the office about six o'clock in the
morning—the time the shooting oc-
curred today. There is less activity
around a dentist's office than at any
other time.

Stokel was well dressed and talk-
ed with a slight accent.

HIGH AND LOW IN CHICAGO BASTILE

Police Smash Homes, Clubs and Saloons, Seizing Liquor And Throwing Owners in Jail

750 ARRESTS DAY'S TOTAL

"Oasis of America" Squeezed Dry When Homes of Social-Elect of "Gold Coast" Are Invaded

(By United Press) Chicago, Dec. 19.—Police smashed into homes, clubs and saloons until an early hour today, seizing liquor and throwing owners in jail.

Seven hundred and fifty persons, including the social-elect of the "gold coast", down to residents of the alleys back of the yards, faced police judges.

Orders of Police Chief Fitzmorris turned every Chicago policeman into a Carrie Nation.

"Clean up your beat or your job is gone", the chief ordered.

Harry W. Mager, former U. S. collector of internal revenue from the Chicago district, was one of the last to be arrested in week end raids.

Mager was seized in an apartment and booked on a liquor law violation charge. Police said a woman in the apartment turned over \$500 worth of liquor Mager gave her to keep for him.

Search warrants were not used in raids on homes. Police refused to listen to pleas of "sanctity of the home" when invasions were made.

Chicago, long known as the "oasis of America" was squeezed dry today. Two hundred saloons had been closed. Owners of others put padlocks on doors in disgust.

Following the raid on the Casino Club, most exclusive in Chicago, other clubs poured out their lockers.

Hotels posted notices to guests in which they reaffirmed belief in the eighteenth amendments.

All those arrested were booked on charge of violating the Illinois search and seizure act, said to be the most drastic in the country.

"The more exclusive the place raided the better I like it," said Chief Fitzmorris. "I may have my own ideas about prohibition, but law is law."

Campaign to clean up Chicago followed closely a series of murders said to have been committed by moonshine crazed men.

SHERIFF'S SON IS KILLED

Shot in Running Battle With Striker, Who is Also Killed

(By United Press) Sioux City, Ia., Dec. 19.—Lewis Jones, son of the sheriff, and Haffen Kaled, an alleged striker, was killed in a battle in the packing strike zone today. Kaled was accosted by the sheriff and his son as he started across the district and Kaled slugged young Jones on the head and started to run. Jones pursued him, ordering him to halt, and almost overtook him when Kaled shot. Sheriff Jones shot Kaled who died while enroute to a hospital. Young Jones died in the hospital.

The strikers caused considerable trouble stealing automobiles and beating up pedestrians. State troops are expected to be called. Union officials claimed that Kaled was a strike breaker and not a union member.

France Accepts Naval Ratio Proposed in Hughes Program

Continued from Page One ed a "desire of France to comply with the American viewpoint as far as limitation of capital ship tonnage is concerned," it was announced by the ministry of marine here today.

The communication added, however, that no figure for France had been fixed and that all information with regard to such a figure was "premature and inexact."

(American Ambassador Harvey called on Briand in London last night and it is assumed that Briand's statement was made to him).

By CLARENCE DUBOSE

Tokio, Dec. 17. (Delayed)—A wave of agitation against the decisions of the Washington conference on limitation of armaments, which government leaders interpret as part of a domestic political battle with little possible effect on international affairs is sweeping Japan.

A mass meeting has been called in Tokio to protest against conference decisions. Some extremists are advocating a demonstration on the return of the Japanese delegation from Washington.

The press seemed more dissatisfied than ever now that its demands for saving the dreadnaught Mutsu have been granted, despite the first favorable reaction.

Yellow newspapers increased their cries that Japan is being humiliated by dictation from the United States and England.

Continued from Page One months, and is in a class with the Arlington high school for not having any tardy pupils.

The Freeman school, in the one-room class, ranked at the top of tardies with 35 pupils falling late and at the Circleville school in the two-room class, there were 15 tardies.

In the one-room class there were 108 tardies and a total of 1439 minutes lost, and in the two-room schools there were 33 tardies and a total of 738 minutes lost.

The table as compiled by W. E. Wagoner, county school superintendent, shows the standing of the schools of the single room and of the two room classes in Rush county:

New York Stocks

New York, Dec. 19.—Despite an advance of over four cents in Sterling, the New York stock market today was inclined to heaviness at the opening. This heaviness was particularly noticeable in the oils with Mexican Petroleum, Asphalt and the Pan Americans showing fractional declines.

There was a continuation of the selling of Sugar stocks and American Sugar made an early low below 51. Independent steels were also fractionally lower.

On the other hand the high class dividend paying rails showed an inclination to advance, the Atchafalaya made a new high on the move at 94 up 1 1/2. There was also heavy trading in Delaware, Lacawanna and Western around 119. The lower priced rails, however were off with the selling heaviest in New Haven and the St. Pauls.

Opening prices were: Texas Co. 47 1/2 off 1/2; Royal Dutch 52 1/2; American Sugar 51 1/2 off 5-8; Asphalt 68 1/2 off 3-8; New Haven 127 1/2, off 3-8; Pullman 100; American Telephone 117 1/2 up 1/2; Crucible 66 1/2 off 3-8; Union pac 126 1/2-8; Tobacco Products 63 3/8 up 3/4; Endicott Johnson 79 up 1/4; Pacific Oil 49 1/2 up 1/4; Northern Pacific 80 1/2 up 1/4; Mexican Petroleum 115 off 5-8.

Chicago, Dec. 19.—The rules of the game of chaperonage were changed drastically today. The new rules go into effect at once at Northwestern university and adoption is being urged by all other middle western co-educational institutions.

Headed by Dean Mary Ross Potter, the official rules body demanded the following be observed at the dances at Northwestern.

- 1—Chaperones who will dictate.
- 2—Elimination of peek-a-boo waists, and short skirts.
- 3—Prohibition of dancing chin on shoulder.
- 4—Elimination of the by-products of the toddle and the shimmy—the "snaky glide, and "intimate twists".
- 5—No smoking by either co-eds or males at the dances.

RAIDS FAIL TO DEVELOP

Pittsburg, Kas., Dec. 19.—A squad of national guard machine gunners were rushed to Cherokee, south of here, early today, when military and civil authorities received reports that the "Amazon army" of the "rump" coal miners was about to renew activities and raid several mines. The raids failed to materialize.

CHRISTMAS GREETINGS

Rush County National Bank

RUSHVILLE, INDIANA.

Dear Friend:

The greatest period of all the year, the period which radiates the spirit of kindness and love is Christmas Time.

You love to spend hours recalling the friendships and acquaintances of many people whose acts of kindness have won a permanent place in your life. When the time comes to show your appreciation, you will find it takes extra money to carry out your wishes.

Millions are saving each year for Holiday Expenses, and we want you to join our 1922 Christmas Club now forming and next year have plenty of money when you need it most.

Ask your friends to join with you. There is no better method for saving money than in our Christmas Savings Club because it is easy, safe and sure.

Cordially yours,

RUSH COUNTY NATIONAL BANK.

CENTER LOCATED IN STATE

Telephone System Center Found Near Center of Population

Indianapolis, Ind., Dec. 19.—The center of the telephone system of the United States has been located in Indiana near the center of population as found by the census bureau, according to Frank Wampler, general manager of the Indiana Bell Telephone Company.

If a meridian were drawn through the telephone center, there would be as many telephones west of the line as east of it; and if a parallel of latitude were drawn through its center, there would be as many telephones north of it as south of it. The center of individual incomes of postal receipts would be farther to the north and farther east. The motor vehicle ownership center would be near the telephone center, but would be somewhat north-west of that point.

Dainty Accessories

Innumerable pretty things in dress accessories and house furnishings are presented in the shops at Christmas time for women. The only difficulty is to make the right choice among them. Whoever determines to settle upon neckwear cannot go wrong; for no woman ever cries "hold, enough!" in this matter of dainty accessories. A vestee and collar of embroidered swiss, as pictured here, is a thing of sheer beauty that is sure to please.

AGED MAN BREAKS HIP

William Bunzendohl, living south of Glenwood, accidentally fell last evening while on his way to church and fractured his hip bone. Do Your Bit

The public should give heed to the suggestion of Postmaster General Hays that the use of odd-sized and odd shaped envelopes be avoided. The odd shaped envelopes, particu-

larly very small sizes, cause considerable delay in the handling of mail. There is really no reason why there should be more than three or four different sizes of envelopes and if the use of envelopes were confined to these sizes the handling of the mail would be greatly facilitated. In all of the larger offices the stamps are canceled by machinery and these machines work most effectively if the envelopes are uniform in size and shape. Until recent months the Government has been printing eleven different sizes and shapes of stamped envelopes. Thus the Government really encouraged the use of numerous and unnecessary sizes of letters. Recently, however, the Department has discontinued the manufacture of five sizes and will discontinue their sale when stocks remaining on hand have become exhausted. This will leave six different sizes of envelopes supplied by the Government with stamps attached. Quite likely experience will show that even this number can be reduced without causing any inconvenience to the public and with increased efficiency in the handling of the mail.

Probably the most verbose statesman on the floor of the Senate is Reed of Missouri, picturesque, frequently, but like Tennyson's brook, going on forever. Ashurst, one of his Democratic colleagues, sped a shaft into Reed recently. Ashurst wanted evening debate on the tax bill and Reed remarked: "The Senator wants it to go on night and day. We who have to work would like to have a little time to sleep and a little time to reflect and study." To which Ashurst replied: "They sleep while the Senator is speaking." If they do they get more than the required eight hours.

The fellow who doesn't claim to be good and yet is not really bad is entitled to some distinction. He is so very few.

In these days of modernity the world is profoundly generous. It sympathizes with those who do not need it.

Sometimes, though, an optimist is one who has been stung and doesn't want other people to know about it.

The things you don't do may not make you rich, but they seldom get you into trouble.

Don't waste your sympathy on yourself. The other fellow expects it.

ODD FELLOWS TO MEET FAIRVIEW

What is Anticipated to be the Best Game of the Season Will be Played Here Tomorrow

VISITORS HAVE REAL TEAM

Local Independents Have Games Booked With Carmel, Columbus and Other Fast Teams

One of the best basketball games of the season is promised tomorrow night at the Modern Appliance "Gym" when the Fairview A. C.'s come for a game with the Odd Fellows Independents. Figuring from the "dope" Fairview is the strongest team to play here to date and a hard fought game may be expected.

Fairview has defeated the Carthage "Yankee Five" team twice this season. Carthage defeated the Y. M. C. A. leaders of Indianapolis and the Indianapolis team defeated the Sandusky outfit, which took the locals into camp in the first game of the season November 22.

The Fairview aggregation has been playing for several weeks meeting fast teams and are coming here to win. On the other hand the locals are out to hit their stride and will give the visitors a battle for the honors.

With the game at Connersville Saturday night the locals started on a heavy schedule and members of the squad are rounding into shape for the grind. The game last Tuesday with Shelbyville was a hard one to lose, but the locals are not downhearted and will be in there fighting all the time. Several changes may be made in the line-up in an effort to produce a winning combination. The squad has the material and with a little more conditioning should get into winning shape. The offense of the team is good and in the last few games they have scored enough points to win the ordinary contest. They are now speeding up on defense work and expect to make a better showing in this department.

A preliminary contest for the game tomorrow night will be played between the Presbyterian and Baptist Sunday school teams. These games are attracting much interest and the management of the Odd Fellows team has been commended for giving the boys a place to play. In this connection it is also announced that in the future games will be called earlier. It is planned to call the curtain raiser Tuesday night before 7 o'clock if possible and get the big game started at 7:30 or 7:45 in order to accommodate persons who may have other engagements.

Several fast teams have been booked for games here in the near future. The Carmel Keltis, one of the best aggregations in the state, will play here Tuesday night December 27 and negotiations are under way for a game here with the Columbus Commercial Tuesday January 3. The fast Sheridan Commercial have also been booked for a game here January 17 and the Odd-Fellows will play a return game there February 8.

The Milroy K. of P. team, composed of former high school stars, will also be booked for a game here in January. This team held Sandusky to a close score in their first game and expect to figure in basketball circles over the state.

In addition to these games negotiations are also pending with Richmond, Anderson, Cambridge City, Frankfort and other fast teams for games. The Greensburg Y. M. C. A. will play a return game here later in the season and Moscow will be brought back for another game. Sandusky probably will play a return here also as they have no playing floor at Sandusky. It is believed the Decatur county aggregation will prove a big drawing card if they play a return game.

A district independent tournament will be held here February 10 and 11 according to present plans and indications are that at least sixteen teams will participate. With all these games in prospect basketball fans will not lack for amusement.

The Odd Fellows have two games scheduled with Carthage the first to be played on their floor December 29 and they come here for a game January 24.

PACE IS TOO FAST FOR VALLEY MILLS

Rushville's Hardwood Athletes Hit Strenuous Clip Saturday Night And Win, 37-20

SCORE 7 POINTS AT OUTSET

In Last Half Every Man on Team Cages Basket in Rapid Succession, Piling up Big Lead

The Rushville high school basketball team added another victory to their credit on Saturday night, when they took the Valley Mills high school team down the line to the score of 37, to 20, on the floor at Valley Mills.

The local team displayed superior work throughout the game, and in the last six minutes of play they set a pace that no team could stop, when seven field goals were made with as many shots for the basket.

In the start of the game Casady caged a couple of field goals, Pugh threw a foul and repeated with a field goal, giving the locals 7 points before Valley Mills could count.

The home team called time, and entered the game with a renewed spirit, and soon the score was tied at seven points. The rest of the first half was a see-saw affair and the period ended with Rushville in the lead two points, 15 to 13.

When the second half opened Valley Mills jumped into the lead when they made good on two long shots. Phillips for the locals evened up the score and put Rushville in the lead when he made a couple of field goals, giving Rushville 21 to Valley Mills 17.

Then came the big walk-away for the locals, when Casady got the ball from Frazee's top off and threw it in the basket. Every man on the team took a shot during the next few minutes and every one of the seven throws counted for a basket, including a clean shot by Frazee.

The locals were hitting, a fast stride when the final whistle blew, and the Valley Mills team was simply played off their feet during the closing minutes.

Phillips at floor guard was the outstanding man for points, getting seven baskets and two foul shots.

Practice this week will be devoted for the New Palestine game on Friday night, and the visitors are not to be underestimated, as they have a good team and will give Rushville a hard game.

ODD FELLOWS IN LAST HALF RALLY

Come From Behind in Game With Reserves at Connersville Saturday Night and Win

3-POINT MARGIN AT LAST GUN

Hold Opponents to Two Field Goals in Last Half While They Go Out and Cage Seven

Showing considerable speed in the last few minutes of play, the Rushville Odd Fellows downed the Connersville Reserves on their floor in that city Saturday night, by the close count of 29 to 26, in a game that was nip and tuck from start to finish.

Connersville presented a much stronger line-up than the one they used in the game played here a few weeks ago, but the locals showed considerable improvement.

Rushville was first to score in the game when Shaw landed on a field goal, but after that Connersville scored and the game was close, but the Reserves had the best of things in the first half and were leading 18 to 13 when the period closed.

Trailing behind five points when the half opened did not cause the Odd Fellows much concern, and they soon forged to a tie, and Connersville was held to two field-goals during the final period, while Rushville secured seven and two fouls.

The game was pronounced as the best played in that city this year, and the locals staged a wonderful comeback that won the game, as Connersville was leading up until a few seconds before the last gun.

Every player on the team put up a good game. In the last ten minutes Martin again took his position at center and the locals had the best of the toss-up. Martin caged a couple of goals during the time that he was in the contest.

Another big contest is expected to be played here Tuesday night, when the Fairview quintet comes for a game with the Odd Fellows.

PROSPECTS GOOD AT WISCONSIN

State University Will Have Better Basketball Team Than One Which Tied Third Last Year

(By United Press)
Madison, Wis., Dec. 19—Wisconsin will be represented by a better team this year than the one which shared a triple tie for the Big Ten basketball championship last season.

Five veterans are returned to the folds, Captain Caesar and Taylor, forwards; Rollie Williams, guard; Tebell and Gage, substitute guard and forward respectively.

It was the "Wisconsin short pass" game which kept the Badgers in the running last year, and with two of its leading exponents on the team again, Caesar and Taylor, the offensive work of the quintet should be vastly better.

Only a brilliant defense can smash a smooth-working short pass attack. That was shown conclusively in the last campaign. This type of play takes the defensive guards away from the basket and leaves many open shots at the cage. Forming a compact circle the Badgers work the ball down the floor, practically without molestation. They seldom resort to dribbling or long shots.

Again, the short pass is the feature of the attack. It is now almost as well-established as the old-time "Minnesota shift" in football.

Gibson and Johnson are fighting merrily for center the only vacant post on the quintet. Neither appears to have the edge.

Substitutes of repute are Brumm and Gill, guards, and Rudiger, forward.

AMUSEMENTS

Eugene O'Brien at Princess

Mighty good entertainment comes to the Princess theatre today for a two days' run, when Eugene O'Brien appears in a new comedy-drama, "Chivalrous Charley".

In a word, "Chivalrous Charley" depicts the attempts of young Charley Reilly to live down a reputation for too much gallantry toward the ladies. Coming back to New York after some years in the West, where he had been sent by an indulgent uncle in the hope that western life would correct him—Charley concludes that nature is stronger than environment. In fact, the metropolitan environment seems instantly upon his arrival to offer more opportunity for misdirected zeal in behalf of the gentler sex than his uncle anticipated, when Charley was invited home. Finally, finding his nephew to be incorrigible, his uncle engages a captivating Miss and a host of confederates to inveigle him into such a series of complications as will prove conclusively that gallantry is a practice to be left to the keeping of the middle ages.

The action of the story moves with hair-raising rapidity, situation, and growing in interest to the last foot of film. There are hectic fights, inspiring rescues, breathless escapes and a final cross-country motorcycle race between the hero and his bride and the police.

Credit must be given to Nancy Deaver, George Pawcett and Huntley Gordon among the cast and to Robert Ellis, who directed the picture.

Clara Kimball Young, Mystic

Rarely, if ever, has the placing of a ring upon the finger of another been known to bring immunity from death. Yet such was the power of the famous Mystery Ring of the Hill Indians, worshippers of the Sun, as portrayed in Clara Kimball Young's picture "For the Soul of Rafael," which comes to the Mystic Theatre today for two days.

Raquel Estevan, the heroine of Marah Ellis Ryan's story of early Californian life, was, by adoption, a member of the tribe of Hill Indians, and according to tribal ritual, attended the ceremony of the New Year when the Indians relighted the sacred fires on their altars in honor of the Sun. She was given gifts of sandals, an Indian robe, and a ring. Late at

night she is led into the hills, where the Indians are gathered around an altar awaiting their coming. The chief calls upon Raquel to take up a torch, and light the torches of the four couriers, who will bear them to the tribes of the four winds. While Raquel is obeying instructions, the Indian sentinels, posted on the trails below, capture two white men, and the Chief orders them to be put to death, thinking that they are spies. The nurse whispers to Raquel that if she put her Indian ring on the hand of one of the white men, they would be saved. Raquel quickly takes her ring off and places it on the hand of Bryton. Later, Raquel discovers that through the act of placing the ring on the white man's finger she is, by all the rights of the Indian ceremony, betrothed to him.

SOCIETY

Mr. and Mrs. Eli Lucas had as their dinner guests last Friday at their home north of the city, Mrs. Hugh Abercrombie.

The regular meeting of the Delphian Society which was to have been held Friday afternoon in the new ladies club rooms of the Elks club, has been postponed until the second Friday in January.

Mrs. Walter E. Smith will be hostess at the annual Christmas party of the Tri Kappa sorority this evening when a pitch-in supper will be served and gifts will be exchanged. All members of the sorority are urged to take their own dishes.

Mr. and Mrs. D. C. Brooks were gracious host and hostess with a high noon dinner Sunday at their beautiful new home east of the city. Their guests were the Rev. and Mrs. Talmage Defrees and Mr. and Mrs. Paul Foster and son Emerson. They heard Miss Aboldo give her interesting talk on the Philippine Islands at Ben Davis Creek church in the afternoon.

The Industrial Club will be entertained at the home of Mrs. Eva Offutt in East Sixth street Wednesday afternoon. There will be the annual exchange of gifts. Each member is requested to bring a gift that can be purchased for twenty-five cents. All members are cordially invited and are requested to bring cups and silverware and to come prepared to sew.

Miss Mary Laughlin entertained a number of her friends last evening with an informal party at her home in Glenwood. The guests were Mr. and Mrs. Eddie Yentz and Miss Nina Robertson of this city, Miss Edna Ruff, Herman Hinchman and Francis Hinchman of Glenwood and Earl Frank of Connersville. The guests enjoyed a theatre party in Connersville following the party at Miss Laughlin's home.

Mrs. Fanny Amos was hostess for the December meeting of the Rushville chapter of the D. A. R. The regent, Mrs. Bertha Logan, read a message from the state regent. The chapter voted to send a contribution for the state work and also to buy a Christmas Health Bond. A message from the president general was read by Mrs. Rena Warner. The beautiful Christmas carol, "Silent Night" was sung by a quartette composed of Mrs. D. D. VanOsdol, Mrs. Georgia Moore, Miss Alice Norris and Miss Wanda Wyatt. A reading, "The Night Before Christmas," was given by Mrs. Leila Gilbert. After the program gifts were exchanged from the Christmas grab bag and dainty refreshments were served. The assisting hostesses were Mrs. Lilly Mauzy, Mrs. Elizabeth Caldwell and Miss Emma Casady.

ARMED GUARDS ON DUTY IN WALL STREET

Precautions Taken After Anonymous Warning That Financial District Was to be Blown up

LETTER RECEIVED BY BROKER

New York, Dec. 19.—Special armed guards were on duty today at the New York stock exchange, the sub-treasury and other buildings in the financial district, while Wall Street was on tip toe in expectation of another bomb outrage.

According to an anonymous letter of warning received by Charles T. Morgan a week ago, he immediately change and an area extending five blocks around it was to be dynamited today.

This warning was received by Morgan a week ago. He immediately reported it to the police who have been working on the case ever since trying to locate the plotters. The first desire was to catch them in the act of placing the bomb, but when news of the warning letter became public, this was abandoned and the authorities devoted their efforts to rounding up the gang.

The men under suspicion are Italians and are not connected with the Wall Street bomb plotters of September 1920. Their headquarters are believed to have been at New Rochelle, N. Y. only a short distance from New York.

DAY REVIVAL IS IN PROGRAM

Big Flatrock Pastor is Being Assisted by State Evangelist

A ten days revival meeting is now in progress at the Big Flatrock Christian church, having started last Wednesday night in the new church recently completed by the congregation. Large audiences have been attending and a fine interest is being shown.

The pastor, the Rev. W. T. Crawley, is being assisted by the Rev. Charles E. Shultz of Newcastle, state evangelist, and E. C. Hewson of Charlottesville, a singer. There is a senior chorus of forty voices and a junior chorus is being organized. Two additions were reported on last Thursday night. The meetings will continue until Christmas.

TRAIL OF YEGGMEN IS LOST

Attempt to Break Into Bank at Parker, Ind., Sunday Morning

Muncie, Ind., Dec. 19.—Police here have found no trace of yeggmens who early Sunday morning made an unsuccessful attempt to enter the Parker Banking company's building at Parker, just over the line in Randolph county. The three robbers who were seen while attempting to force the door by John Anderson, a baker, and frightened away, are said to have headed towards Muncie, but no men or automobile answering the description given by Anderson, have been seen here. The robbers cut all telephone wires before starting their work and the news of the attempt could not be sent to neighboring cities until several hours later.

DEGREE STAFF TO REHEARSE

The Odd Fellows first degree staff will rehearse this evening in preparation for conferring the degree Wednesday. Every member of the staff is requested to attend.

Fadeless Flowers

Flowers made of petals cut from paper tape and coated with colored sealing wax, are among the novelties that add to the cheerfulness of home and Christmas this year. A cluster of them in several different colors, in a vase that is also coated with the wax, makes a very pleasing bouquet for the living room or dining table. The colored wax is a substitute for paint and a small alcohol flame becomes the brush for making the fadeless blossoms.

Rush Post, American Legion, met Sunday afternoon in their club rooms and the annual election of officers was held, during which time George L. Todd was elected commander to succeed Eli Kinney, who has been acting as commander for several months, filling out an unexpired term.

Mr. Kinney was elected vice-commander, and Richard McManus, treasurer. Ozro Farthing was elected adjutant and the executive committee, composed of five members was elected as follows: Ivan Coyne, Joe Cannon, Karl Kennedy, Ralph Pea and George Hogsett.

HAYS TO RESIGN, REPORT

Said to Have Accepted Post as Head of Motion Picture Industry

(By United Press) Washington, Dec. 19.—Postmaster General Hays had decided to accept an offer to become virtual head of the motion picture industry in the United States, according to a prominent republican politician here today.

He stated that Hays agreed to accept leadership of the reorganized association of motion picture industry at \$100,000 a year for two and a half years. Hays is said to be resting up at some health resort.

TEN ACCUSED OF MURDER

Ardmore, Okla., Dec. 19.—Ten men alleged members of a masked band which last Thursday night attacked the home of Joe Carroll, alleged bootlegger, near Wilson during which Carroll and two members of the attacking party were killed today were held in jail here awaiting arraignment on murder charges.

PREMIERS MEET IN LONDON

Reparations Situation Discussed by Briand and Lloyd George

(By United Press) London, Dec. 19.—Premiers Briand and Lloyd George in their first meeting on the reparations situation today discussed only general problems, it was learned authoritatively.

Several questions which arose were handed over to Sir Robert Horne, chancellor of the exchequer and the French treasury expert for detailed analysis. The conference will be resumed at 11 a. m. tomorrow. The treasury officials met this afternoon to consider the problems submitted to them.

POLICEMAN FOUND DEAD

Indianapolis, Ind., Dec. 19.—Jacob Bush, merchant, policeman, was found dead in the streets early today after he had been seen fighting with an unidentified man. The man knocked Bush down and succeeded in getting his revolver. The only wound found on Bush's body was a cut over the eye and a few cuts over the body. Police arrested Charles Callaghan who formerly worked with Bush and the two men had quarreled about four o'clock.

SEARCH FOR SLAYERS

FOR REAL ESTATE POSSESSION

Henry S. Rhodes has filed suit in the circuit court against Frank Rhodes, the complaint being for possession of real estate, and for damages. The plaintiff demands possession of the real estate, on grounds that a lease has expired, and judgment for \$100 is asked on account of the detention of the land.

THROW GERMANY INTO BANKRUPTCY IS PLAN

At London Conference Premiers Lloyd George and Briand Announce Plan Suggested by France

AGREEMENT TO BE BINDING

By WEBB MILLER (U. P. Staff Correspondent)

Paris, Dec. 19.—France plans to throw Germany into bankruptcy, it was semi-officially stated here today.

At the London conference between Premiers Lloyd George and Briand the following plan will be suggested by France.

1—The allies are to recognize the bankruptcy of Germany.

2—An allied commission is to take charge of German tax collections and assets just as would be done in the case of a private bankrupt.

3—The printing of paper marks is to be halted.

4—The commission is to control the customs and tobacco and coal monopolies.

Agreement would be binding under an arrangement similar to Wiesbaden agreement.

HIGH SCHOOL BOYS ACCUSED

Portland, Ind., Dec. 19.—Two high school students were caught early today breaking into Wieler's store here. An overcoat and other articles said to have been stolen by John Hodge, one of the boys, was found in the People's bank where he works. The other boy's name was Bennie Smith.

MAY CALL MEET ON MEXICAN AFFAIRS

Chief Purposes Would be to Obtain Treaty Which Would Pledge Protection of American Rights

OTHER MEANS HAVE FAILED

Suggested Conference Would be Held Some Date Following Conclusion of Armament Conference

Washington, Dec. 19—The calling of a conference on Mexican affairs is being considered by President Harding.

The suggested conference would be held at some date following the conclusion of the armament conference and would take place either in Washington or some accessible place near the Mexican border close friends of the president said.

Its chief purposes would be to obtain a treaty with Obregon by which Mexico would pledge protection of American rights and to grant recognition to the Mexican republic.

One reason for the belief that a conference is to be called is the fact that all other means have failed. Secretary of State Hughes drafted a treaty and George Summerlin, American charge at Mexico City, tried to get it signed without success. President Harding then adopted the informal method of dealing with Obregon through a personal emissary who tried to induce Obregon to accept the treaty.

Both attempts failed because Obregon flatly refused to sign the treaty until recognition has first granted. He declared that Mexican pride would not permit him to sign the treaty as the price of recognition and that the government would be overturned within 24 hours if he did.

President Harding has been assured through personal sources

Evansville Contractor Says it Took All His Grit to Stick On Job

"I was on the verge of a complete breakdown when I began taking Tan-lac but I am as well and strong now as I ever was in my life," said William J. Beal, contracting carpenter of 708 Locust St. Evansville, Ind.

"My troubles started with indigestion and for months I was going down hill steadily and losing weight and strength every day and it took all my grit to stick on the job. My back hurt me a good deal, too, especially at night and I got very little rest.

"I weigh my words when I say that in all my sixty years I have never come across the equal of Tan-lac. It has simply made a brand new man of me and I eat, sleep and feel better than in years."

Tan-lac is sold in Rushville by F. B. Johnson Drug Co., and by leading druggists everywhere. Advertisement.

GERMANY TO BUILD BIG ZEPPELIN FOR U. S.

Largest Air Monster in World to be Constructed by German Experts And Will Sail Across Atlantic

REPLACE THOSE DESTROYED

Paris, Dec. 19—The council of ambassadors has authorized Germany to construct the largest Zeppelin in the world for the U. S. it was learned here today. The air monster is to be built by German experts and will sail across the Atlantic when completed. It is to replace the share of the United States in Zeppelins destroyed in German hangars in 1919.

The ship is to be constructed according to the L-70 model, the highest type of flier and will rival the ZR-2 which crashed into the River Humber in England shortly before it was to be delivered to the United States.

There is some opposition here to the authorization which will keep a large number of German technical air experts in training for the building and testing of the ship, it is said.

The Professor Peeked

Chicago Dec. 19—Investigation of reports that a professor in the University of Chicago was caught peeking through the window in a bathroom at KeQuood hall, a coed's dormitory, was made by assistant state's attorney Bess C. Sullivan.

Miss Sullivan said he heard the professor was caught by a janitor. The janitor was taking the professor into custody when another member of faculty passed by a prevailed upon the janitor to release the prisoner "for the good name of the school".

A NEW TAX FREE INVESTMENT

The New Revenue Bill just passed by the Congress provides:

"The following item shall be exempt from taxation: So much of the amount received by an individual after December 31st, 1921, and before January 1st, 1922, as dividends and interest from domestic building and loan associations operated exclusively for the purpose of making loans to members as does not exceed \$300.00."

The Government is trying to help the housing situation, which is acute all over the country and in Rushville as well, by making dividends or interest exempt from the normal tax. This provision has never existed in any of the previous bills. You had better drop in our office and inquire further in this connection. All amounts to your credit on December 31st, begin to draw 6 per cent, not 3 per cent or less, on January 1st, 1922.

TIME EXTENSION REFUSED GERMANY

Allied Committee Takes no Excuse
For Extending Payments on
Reparations as Ordered

DEMAND DELAY REASONS

Commission Expresses Surprise in
Note to Germany, Answering
Refusal to Make Payments

By WEBB MILLER
(U. P. Staff Correspondent)

Paris, Dec. 19.—The allied reparations commission refused to consider the German request for extension of time in reparations payment it was announced here today.

The commission demanded in a counter note to Chancellor Wirth that it immediately be furnished with details regarding promised payment guarantees to be furnished in the meantime and definite information as to the delay which was asked.

Until these details are received the commission cannot discuss the German request.

The note which is in reply to one of Germany stating she could not hope to meet her January and February installments expressed the greatest surprise that Germany did not allude to measures taken to fulfill previous demands for payment.

"The commission cannot but express surprise in not finding in the note of Chancellor Wirth any precision regarding securities Germany is ready to furnish in lieu of the January and February installments or as to the length of the delay requested or the security which must be offered in the interval," the note read.

"At least and until the commission receives these precisions it is impossible to consider or even examine the request of the German government."

"The commission regrets the absence of any allusions to measures Chancellor Wirth has adopted to give full satisfaction."

The communication also draws attention to the previous demand.

CUT OUT PAPER MONEY

(By United Press)

Telluride, Colo., Dec. 19.—No more paper money. That's the slogan adopted by the Bank of Telluride. For the first time in years, the teller's cage recently contained nothing but gold and silver money. All checks were cashed and all large change given in gold and silver coins. Silver dollars, five, ten and 20 dollar gold pieces were given out instead of paper money.

Bank officials said metal money proved more satisfactory in handling.

WHY THAT LAME BACK?

That morning lameness—those sharp pains when bending or lifting, make work a burden and rest impossible. Don't be handicapped by a bad back—look to your kidneys. You will make no mistake by following this Rushville resident's example.

Mrs. Albert S. Gard, Oliver St., says: "Doan's Kidney Pills surely are a fine medicine. I have used them a number of times when my back has been lame and sore. It has been hard for me to stoop on account of the sharp pains in my back. My kidneys were weak and didn't act right. I heard of Doan's Kidney Pills at this time and purchased a box, which soon relieved the trouble. After using a few more boxes I was rid of the complaint."

FLOTATION OF GERMAN BONDS HERE POSSIBLE

German Notification to Allies of In-
ability to Meet Fully Next Re-
parations Payments is Cause

COULD REALIZE 500 MILLION

Washington, Dec. 19.—German notification to the allies of her inability to meet fully her next reparations payments opened up today the possibility of flotation of German bonds in America provided the allies guarantee them.

That Germany could realize \$500,000,000 in this way is the view of competent authorities on allied-German problems.

To this government Germany's latest note is no surprise. Authorities have seen Germany coming to the end of her rope, making it necessary for the allies they believe to take one of the following courses:

1—Immediate reduction of the reparations sum.

2—Granting a breathing spell or moratorium on the January and February payments.

3—Opening of credit channels to Germany.

The latter route is via America, but financial interests would only harken to such a method were the allies to guarantee adequately repayment of the bonds.

FIGURES OUT HOW FARMER LOSES MONEY

Charles H. Alger Shows From Own Experience as Land Owner That Farming Shows Deficit This Year

WHEAT AS ONE EXAMPLE

Charles H. Alger, 425 North Perkins street, who owns farm land in Jackson township, has figured out from his own experience that at present prices, the farmer loses money. As the owner of the land, he receives one half and his deductions are as follows:

One-half of 879 bushels of wheat at \$1.08 a bushel amounts to \$439.66. One-half of 739 bushels of rye at 95 cents a bushel amounts to \$360. One-half of 468 bushels of oats at twenty-five cents a bushel, \$117. One-half of 150 bushels of barley at 60 cents a bushel, \$45. One-half of 150 acres of corn at 35 cents a bushel, \$1,312.60. The total of his receipts from the farm is \$2,774.82. After deducting one-half for seeds, fertilizer, and thrashing, there is a balance of \$1,343.36. The taxes paid by Mr. Alger amounted to \$2,008, leaving a deficit of \$164.64.

Having been a miller himself, Mr. Alger points out that it takes five bushels of wheat to make one barrel of good grade flour, or eight sacks containing 192 pounds. With wheat at \$1.08 a bushel, the farmer receives \$5.40 and the miller \$7.60 when sacked and delivered, besides \$1.50 for 90 pounds of feed, making a total of \$9.40. The retailer receives \$2 for handling a barrel of flour, making the final cost \$11.40. This is \$6 added after the wheat leaves the farmer's hands. A few years ago the miller and retailer handled five bushels of wheat for less than \$2, Mr. Alger asserts.

Santa Claus Letters

Dear Santa: Please bring me a doll with yellow curls. It needn't be a very big one for I want about thirty other things. Several things I would like to have are a kitchen cabinet, sled, set of dishes and a trunk full of doll clothes. If you see anything else you would like for me to have bring it along. Bring me some regular Christmas candy with flowers in it but the oranges and nuts daddy can get at the grocery. Don't forget my sister Luana and other boys and girls.

Your little friend,
DOROTHY IRIS HIGGS.

Dear Santa: I am eight years old. Please bring me a doll with long yellow curls, a set of dishes, a trunk full of doll clothes, a pair of roller skates, and a doll house. I would like to have several books, too. Don't forget my two grandmas and sister. Your little friend,

LUANA HIGGS.

Dear Santa: I am a little girl eight years old. I want a willow cat, a doll and a black board and some story books and anything else you want to bring. Your little girl,

ELAINE SAUNDERS.

Dear Santa: I am a little girl four years old. I want for Christmas a pair of shoes size 8 and a doll cart and a doll and some candy and oranges and please don't forget my little sister. She wants a doll and little wagon and some candy and shoes. We are as ever your little friends,

RUTH EREVILLE and
EVA ROSE PATTERSON.

Dear Santa: I am a little boy nearly six years old so please don't forget me. For Christmas I don't want much for things are so high, a pair of high top shoes and an express wagon and pop gun and some candy and oranges. I am as ever your little friend,

PAUL COLVIN PATTERSON.

Dear Santa Claus: I am a little boy seven years old. I want a drum, sled, express wagon, train on track and some oranges, candy and nuts.

RICHARD BOREM.

Bentonville, Ind.

Dear Old Santa Claus: I am a pretty good boy four years old. Please bring me for Xmas a pair of rubber boots like my dad's, a pop gun to shoot soldiers and a train on track and anything else you want to, together with candy, nuts and oranges. Don't forget my little friends in Rushville. Your little boy,

GENE FRANCIS WALKER.

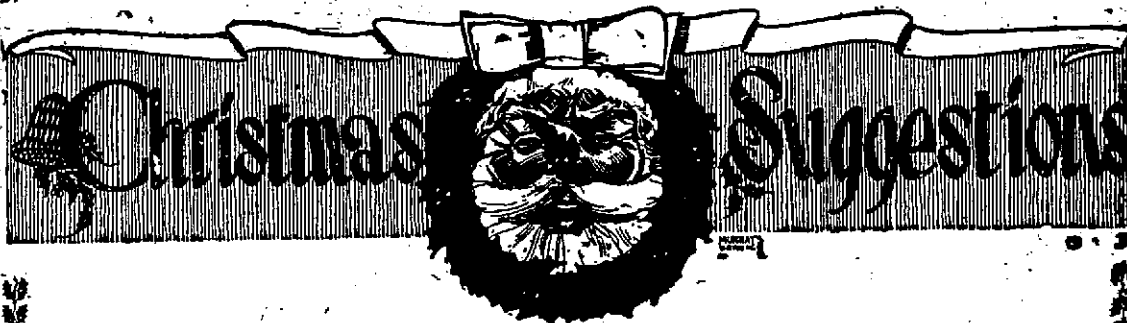

Dear Santa Claus: I want a kitchen cabinet, a walking doll, a lot of doll clothes, and a ring, also set of dishes for my doll, candy, nuts and oranges. Your friend,

JEAN ELOISE CLARK.
